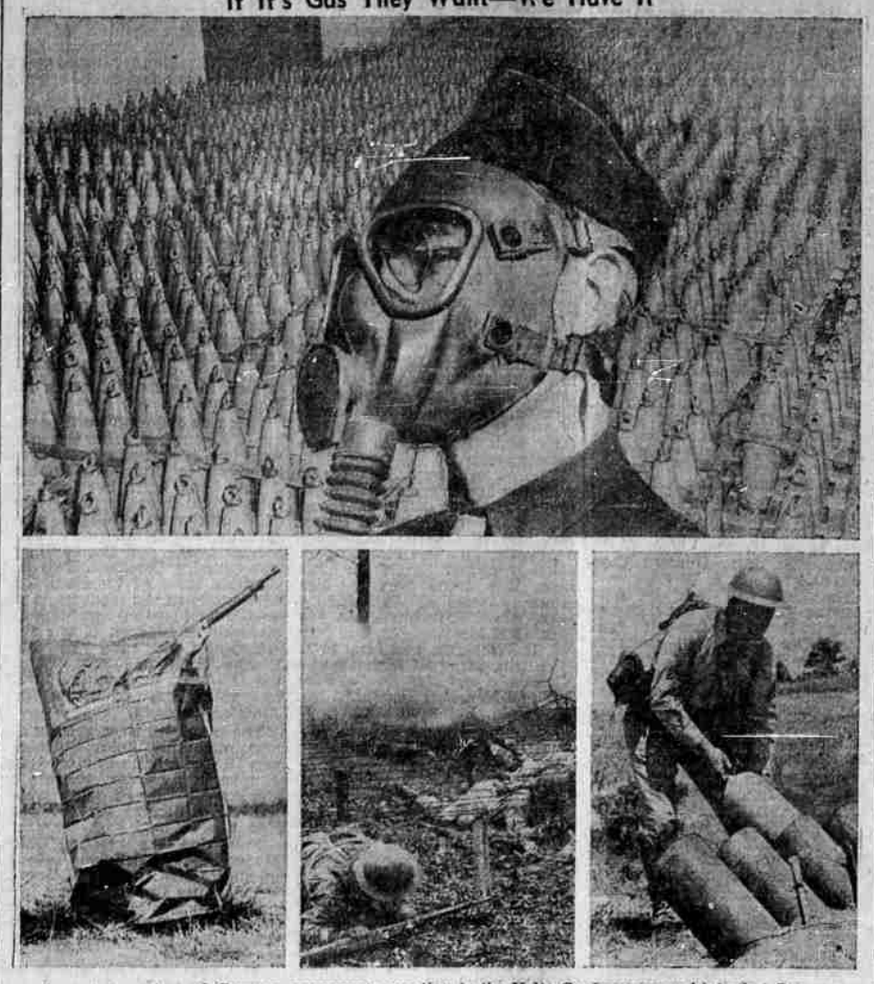
If It's Gas They Want—We Have It



Some interpreters of German propaganda reaction to the Yalta Conference saw hints that Germany might resort to desperate use of poisonigas. Uncle Sam thinks two can play at that, and is well prepared if that's the way the Germans want to play He has millions of gas shells and the latest in gas masks (top); new protection, like the anti-gas bag (lower left); his troops are trained in gas warfare (center); and he has efficient means of launching the deadly shells (lower right).

DAILY DEVOTIONS

DR. CHARLES A. EDWARDS

In the entrance hall of the China Inland Mission headquarters in the city of Philadelphia is a framed motto: "There they dwelt with the King for His work." It is a sample of the spirit within that mission house where workers live together for the sake of the Lord's cause in China. It was made by a missionary, who, tarrying there for counsel, friendship, and recuperation, had felt and gratefully acknowledged the spiritual atmosphere of the household of faith. According to the ancient chronicler, a guild of brother potters from the family of Judah dwelt in a lowland town of Judea. As lowly sharers in a royal task, humble and faithful. Are we like these potters, feeling the presence and power and purpose of our King for His work? Or are we merely potters, unmindful of the obligations and opportunities for the kingdom of God. When others enter your home, your office, your shop, your room, your life, what impressions do they get of your religion and your relation to the Christ. In partnership with Christ. I will further His plan for my life and for the world. Amen.

"Sugar" Robinson Beats LaMotta for Third Time

NEW YORK, Feb. 24.—(AP)—Instead of being billed as the "uncrowned king of the welterweights," Ray "Sugar" Robinson could be called the $50,000 king."

Robnison, Harlem Negro boxer, picked up approximately that much money for his last 32½ minutes in the ring. That covers his one round knockout of George Costner at Chicago 10 days ago and his 10-round decision over Jake Lamotta at Madison Square garden last night. That averages about $4,500 a round or $1,500 a minute and makes Robinson the highest paid boxer around these days.

Robinson, an odds-on favorite, had little trouble beating Lamotta. He thus avenged for the second time the only blot on his 55-bout record and made it three triumphs in four fights with the Bronx middleweight.

Papooses Defeat Woodrow Wilson Juniors, 38 to 27

The Roseburg Junior High school 'Papooses closed their basketball season last night by reversing their only defeat of the season in trimming Woodrow Wilson Junior high 38 to 27 in a game at Eugene. The only defeat the Papooses suffered during the season, in which they won six out of seven contests, was at the hands of the Democrats, who won a game at Roseburg, 34 to 31.

Showing determination to wipe the blot off their record, the Papooses took early command of last night's game in Eugene having a lead of 14 to 8 at the quarter and 26 to 12 at half-time. During the third period, the Papooses became too conservative and the Eugene team cut down the margin, but Roseburg went into the final period with a lead of 31 to 22.

Feldkamp and Baird did excellent work in commanding the backboards throughout the entire game, while Piper with 17 points and Baird with 12 were the high scorers.

Roseburg's 8th grade team was beaten 33 to 16 by the Eugene graders.

Lineups:

Piper (17)	F	(4) Smith
