Aluminum Workers Win Fraction of Demands

WASHINGTON, March 27—(AP)—Fifty thousand workers in 20 plants of the Aluminum Corporation of America, including three in the Pacific northwest, were granted differentials of four and six cents an hour for second and third shift work, respectively, yesterday by the War Labor board.

The ruling increased the differentials one cent in each shift. The union had asked increases to 10 an d15 cents. The increases are retroactive to May 1, 1944, expiration date of the previous contract.

Denied by the board were requests for a general wage increase of 15 cents an hour, a minimum hiring rate of 95 cents an hour, a guarantee of 40 hours pay for each week in the year, a joint national wage scale committee empowered to bring about uniform wage structures in the industry and group insurance plans on paid sick leaves.

LaMotta Knocks Out Costner in 6th Round

CHICAGO, March 27—(AP)—The bubble that was George (Sugar) Costner, knockout king, was completely burst today.

Jake LaMotta, New York Middleweight, finished it off with a sensational knockout in the sixth round of a scheduled 10-rounder last night.

Less than a month ago, Ray (Sugar) Robinson knocked out the Cincinnati Negro in the first round. Costner had won 24 straight fights, 22 of them by Knockouts, before he met Robinson.
