Lumber Contracts Canceled; More is Assured Civilians

PORTLAND, Aug. 17 — Practically every lumber concern in the northwest is expected to feel the effect of the cancellation by the central procurement agency at Portland of 865 contracts which had been awarded to 228 companies, for a total of some 225,000,000 board feet of Douglas fir and and western pine lumber. These constituted all outstanding army orders, the office said.

Maj W. M. Porter, contracting officer, said no navy contracts have yet been cancelled but that partial cutback on these was expected soon. No estimate of the amount of lumber involved could be given.

The cancellation will mean additional lumber supplies in all western states as far east as Montana and New Mexico for civilian purchasers.

Restrictions on Sports Travel Lifted by ODT

WASHINGTON, Aug. 17 — (AP)—The ODT today formally lifted all restrictions on sports travel.

He added this precaution: "temperance in the use of sports transportation is wise to avoid any resumption or restrictions."

Johnson pointed out that "this is not an invitation to go hog wild in travel "because, he said, the rail transportation will continue to be extremely difficult.
