Portland Man Says Tanlac Did Him More Good Than Change of Climate.

"For eight years," said John Nelson, well-known carpenter residing at 874 Montana Ave., Portland, Oregon, "I had all kinds of trouble with my stomach. I had to keep myself on a light diet, and even then I suffered terribly with indigestion. I used to eat my dinner every day under a dread for this indigestion often got so bad I turned so weak I could hardly keep on the job. In trying to find something to help me I even took a trip to California, but I kept going from bad to worse and suffering more and more.

"At last some of my friends put me on to Tanlac and it proved to be just what my stomach needed. My appetite is fine now, and I eat my dinner an dthen go ahead working in the afternoon just as well as I ever could for nothing I eat hurts me the least bit. My whole system is stronger and better in every way and I feel full of 'pep' and energy. Tanlac is simply splendid and I am glad to let others know about it."

Tanlac is sold in La Grande by Silverthorn's Family Drug Store and all leading druggists.—Adv.

The town of Mitchell in Wheeler county has voted bonds to build a $30,000 school building.

A TIMELY SUGGESTION.

This is the season of the year when the prudent and careful housewife replenishes her supply of Chamberlain's Cough Remedy. It is almost certain to be needed before the winter is over and results are much more prompt and satisfactory when it is kept at hand and given as soon as the first indication of a cold appears and before it has become settled in the system. There is no danger in giving it to children as it contains no opium or other harmful drug.—Adv.
