Have You Reached Three Score and Ten?

Preserve Your Strength

Portland, Oreg.—"I could scarcely get around to attend my duties on the farm and knowing that I needed something to relieve this condition, I went into a drug store in Washington and asked the druggist what he thought would be best for my condition. He immediately recommended Dr. Pierce's Golden Medical Discovery so I bought a bottle and commenced taking it and it helped me right away. After the second bottle I felt fine, my appetite was greatly improved and I gained strength right along. I am a man seventy-eight years of age and can get around as well as many younger men and feel that I owe a great deal to Dr. Pierce's Golden Medical Discovery."—John Franklin Cox, 1248 E. Yamhill St.

Go at once to your neighborhood drug store and get the "Discovery" in tablets or liquid and you'll be surprised at the way you'll pick up.
