Do You Want a Nurse?

If you want a nurse for your children—you want a good one. The foundation of your children's character is not a little influenced by the character of the nurse whom you employ.

Don't get an adventuress or a product from the slums to take care of your children. Go rather among the people who have a purpose in life, who are refined and genteel.

You can secure this class of a nurse through The Oregonian. Read the classified columns every day and Sunday, under the heading "Situations Wanted," or advertise under heading "Help Wanted." You will find the kind of a nurse girl you want.
