Arabs and Jews Show Same Hates — The United States and British Governments — In Propaganda

By DANIEL DE LUCE

JERUSALEM—(AP)—Israelis and Arabs, though foes, share the same pet hates.

The press on both sides of the fighting line picks identical targets for villification. If you believe all that is printed, the three most diabolical enemies of Israel and the Arab world are:

1. The British Government.
2. The American State Department and/or President Truman.
3. Count Folke Bernadotte, United Nations Palestine mediator.

Arab commentators, of course, don't spare the Jews, whom they refer to as Zionist terrorists, and the Israelis continue to describe the Arabs as murderous barbarians. But that is routine. It lacks sting.

The sharpest barbs are hurled at Britain. In Israeli editorial eyes the British schemed for decades to frustrate the creation of a state embracing a Hebrew homeland—Palestine and Trans-Jordan.

When the scheming failed—so the charge goes—the British instigated, equipped and led an Arab invasion in a vengeful desire to exterminate Zionism.

The Arabs, on the other hand, call Israel an offspring of British policy aimed at permanently splintering the Arab world. The Arab set-back in Palestine, it is further alleged, was due to a British double cross and violation of solemn alliances.

State Dept. Is Target

The American State Department, according to Israeli commentators, finds Arab oil thicker than Jewish blood. The department is accused of maliciously blocking the lifting of an arms embargo in Israel's favor, delaying a $100,000,000 loan and provoking British-American imperialism. President Truman is said to have succumbed often to the State Department's sinister pressure.

The Arabs claim the president and the State Department together betrayed 35,000,000 Arab friends of the United States in a bid for Jewish votes in the 1948 elections.

Count Bernadotte may be esteemed as a sincere humanitarian by most of the world, but both the Israelis and Arabs disagree.

Israeli newspapers continually brand Bernadotte as a British stooge seeking to confine Israel to ghetto frontiers.

Tool of the West

The Arab press describes the mediator as a tool of western interests, promoting Zionist domination over the Mid-East.

Israelis and Arabs agree the truce observation is a farce.

The Israelis complain of scores of alleged Arab violations. The Arabs, for their part, profess to know that Israel is preparing for further aggression while United Nations observers frolic with former Irgun Zvai Leumi and Stern gang girls.

In all the journalistic hubbub among Arabs and Israelis, Russia emerges virtually pure and uncriticized.

The Israelis describe the Moscow government as "our first friend." Russian policy toward the little state is given a perfect mark.

The Arabs are inclined to shrug off Russian's consistent sponsorship of Israel as just what they expected and deny it caused them pain. They say the Russians behaved very logically and Moscow's policy can swing in the future to support the Arabs if and when the Arabs make up their mind to pay the Russian price.

Fiddles by Foot-Power

Luther Caldwell, Columbia, Mo., farmer, believed to be the world's only one-armed fiddler, gives himself the down-beat with his foot-powered mechanical arm and whips into "Turkey in the Straw." He'll play for his neighbors at the Boone County Fair, where he is a contestant in the Old-Time Fiddling Contest.

Rice Valley

Mrs. Phil Huntington attended the funeral on Monday, Aug. 23, of her step-father, George Evans, who died at his home at Taft, Ore. Funeral services were in the Christian Church at Oakland and burial was in a Roseburg cemetery. He is survived by two sons, Jim and Vaughn, and a daughter, Mrs. Rollie Angst. After the funeral, Mr. and Mrs. Rollie Angst and daughter, Mr. and Mrs. LaVerne Angst and Mrs. Ed Bloomquist and son, David, were guests of Mr. and Mrs. Phil Huntington.

Mrs. Grace Grass stayed at the Elton Grass home in Yoncalla over the weekend, while Elton Grass and his family drove to Vancouver, Wash., to visit a few days. Mr. Grass' sister, Mrs. Dolly Stewart and son, Reggie, of Vancouver returned with them to visit a few days with relatives in Yoncalla and Rice Valley.

Mr. and Mrs. Charles Wright have been building on their lots in Sutherlin and are moving to their new home this week.

Falls From Car

As Mr. and Mrs. Gene Turner were driving from the McDonald premises, near Rice Hill, onto the highway, Sandra Jean, their five-year-old daughter, apparently turned the handle of the back door and it flew open, throwing the child from the car onto the pavement. She was badly skinned and received a cut on the head. She is getting along as well as can be expected.

Cafe and Station Sold

Mr. and Mrs. Dale Sall sold their restaurant and service station on Rice Hill to Mr. and Mrs. Philip Pratt of Wolf Creek. Prior to their residence in Wolf Creek, the Pratts came from Detroit, Mich. Mr. Pratt was sales manager for John F. Dunlap, wholesale grocery distributor. In the future the restaurant will operate under a new name, "The Rice Valley Cafe." After Oct. 1, the Pratts will open a garage with a mechanic available.

Although it has never been officially designated, the Road Runner, commonly called the Chaparral Bird, is generally regarded as the State Bird of New Mexico.

The name of cannel coal, which burns with a bright smokeless flame is believed to be a corruption of the word candle.
