A WORD TO THE WISE!
When tempted to over-indulge
"Reach for a Lucky instead"
"Coming events cast their shadows before"
In moderation—be moderate in all things, even in smoking. Avoid that "tense shudder" by avoiding over-indulgence. If you would maintain that modern, ever-youthful figure, "Reach for a Lucky instead."
Lucky Strikes, the finest Cigarette you ever smoked, made of the finest tobaccos—The Cream of the Crop—"IT'S TOASTED." Lucky Strike has an exclusive, secret heating process. Everyone knows that heat purifies and so 20,679 physicians say that Luckies are less irritating to your throat.
LUCKY STRIKE "IT'S TOASTED" CIGARETTES
"It's toasted"
Your Throat Protection—against irritation—against cough
*In the U. S. Public Health Reports of 1925, Volume 38, Page 1271, we find the following: "Among short men less than 5 feet 7 inches in height an excess (in weight) of 20% involves an added mortality of 30% above normal. A 40% excess adds 80% to the mortality." We do not represent that smoking Lucky Strike Cigarettes will bring modern figures or cause the reduction of flesh. We do declare that when tempted to do yourself too well, if you will "Reach for a Lucky instead," you will thus avoid over-indulgence in things that cause excess weight and by avoiding over-indulgence, maintain a modern, graceful form.
