NEW YORK STOCKS

NEW YORK (UPI) — Stocks resumed the uptrend in moderate turnover today.

The advance was in contrast to Tuesday's steady decline which came despite the absence of any great selling pressure.

Electronics took over market leadership with gains running to more than 4 in General Time and more than 2 in Texas Instruments.

Steel issues firmed for the most part despite the bleak steel wage issue. Republic, U.S. Steel and Youngstown tacked on small fractions. Bethlehem held to its previous close.

General Electric narrowed its opening loss in later trades, while DuPont, which opened up more than 2, lost part of the rise.

Other good gains appeared in International Salt, up more than 2, and Haveg, up nearly 2. Tires were firm, motors mixed. Rails and oils ranged slightly lower to steady.

SUMMONS BY PUBLICATION IN THE CIRCUIT COURT OF THE STATE OF OREGON FOR THE COUNTY OF UNION

INVESTMENT SERVICE CO., an Oregon corporation, Plaintiff,

v.

FRANCIS WADE, ESTHER WADE, H. A. KLINGHAMMER, Sheriff and Tax Collector of Union County, and JOHN M. BATES, Defendents.

TO: FRANCIS WADE AND ESTHER WADE

IN THE NAME OF THE STATE OF OREGON you are hereby required to appear and answer the complaint filed against you in the above-entitled suit within four weeks from the date of the first publication of this summons, which date of first publication is the 2nd day of December, 1959. Plaintiff will also apply to the court for a decree directing you to pay said amounts within fifteen (15) days from the date of said judgment and for a further decree that, if you fail to make such payments, then you shall be foreclosed of any interest you may have in a real property contract dated October 18, 1954, between The United States National Bank of Portland as seller and Francis Wade and Esther Wade as purchasers relating to certain real property in Union County, Oregon, formerly known as the Elgin Canning Company property, and in and to any interest you may have in the property described in said contract; said decree to further provide that said property shall be sold at sheriff's sale, the proceeds shall be applied against said judgment and if said proceeds are insufficient, then a deficiency judgment shall be allowed against you.

This summons is served upon you by publication pursuant to order of the Honorable W. F. Brownton, Judge of the above-entitled Court, made and entered on November 30, 1959, which order requires that summons be served upon you by publication once a week for four consecutive weeks in The La Grande Evening Observer, a newspaper of general circulation in Union County, Oregon, and published in the City of La Grande in said County.

(Proceeding No. FS 60-8)

Published pursuant to section 5 of the Act of July 23, 1955 (69 Stat. 367).

To whomever it may concern:

Notice is hereby given in pursuance of a proper Request for Publication heretofore filed in accordance with section 5 of the Act of July 23, 1955 (69 Stat. 367), and the regulations thereunder (43 CFR 185.123-185.127).

1. That on July 22, 1959 the Chief, Forest Service, Department of Agriculture, whose address is Washington 25, D.C., filed in the Land Office of the Bureau of Land Management, Department of the Interior, at 809 N. E. Sixth Avenue, Portland 12, Oregon, a request for publication of notice to all mineral locators or any person claiming under them involving a mining claim or claims located on lands in the Counties of Baker, Grant, and Union, State of Oregon, described as follows, to-wit:

The Baker "B" Area, 6-SR-17-12. Whitman National Forest. The unsurveyed sections listed are these which would probably embrace the lands when the public land surveys are extended to such lands.

2. That if any person claiming or asserting under, or by virtue of, any unpatented mining claim located prior to July 23, 1955, any right, title, or interest in the vegetative surface resources and other surface resources, under such mining claim, contrary to or in conflict with the limitations or restrictions specified in section 4 of said act, as to the above-described lands or any part thereof, shall fail to file in the Land Office of the Bureau of Land Management at 809 N. E. 6th Avenue, Portland 12, Oregon, and within 150 days from the below-stated date of first publication of this Notice, a verified statement which shall set forth as to such mining claims:

(1) The date of location;

(2) The book and page of recordation of the notice or certificate of location;

(3) The section or sections of the public land surveys which embrace such mining claim; or if such lands are unsurveyed either the section or sections which would probably embrace such mining claim when the public land surveys are extended to such lands or a tie by courses and distances to an approved United States mineral monument;

(4) Whether such claimant is a locator or purchaser under such location; and

(5) The name and address of such claimant and names and addresses so far as known to the claimant of any other person or persons claiming any interest or interests in or under such unpatented mining claim; such failure shall be conclusively deemed (i) to constitute a waiver and relinquishment by such mining claimant of any right, title, or interest under such mining claim contrary to or in conflict with the limitations or restrictions specified in section 4 of the Act of July 23, 1955 (69 Stat 367), as to unpatented claims located after that date, and (ii) to constitute a consent by such mining claimant that such unpatented mining claim shall be subject to said limitations and restrictions, and (iii) to preclude thereafter, prior to issuance of patent, any assertion by such mining claimant of any right or title to or interest in or under such mining claim contrary to or in conflict with said limitations or restrictions. Section 4 provides, generally, the unpatented mining claims located after July 23, 1955 shall not be used for purposes other than prospecting, mining, or processing operations, or uses reasonably incident thereto; that such claims located after July 23, 1955 shall not be used for purposes other than prospecting, mining, or processing operations, or uses reasonably incident thereto; that such claims will be subject to the right of the United States to manage and dispose of the vegetative surface resources thereof and to manage other surface resources thereof; and that, except to the extent required for mining operations and uses reasonably incident thereto or to provide clearance for such operations or uses, claimants of such claims shall not use or dispose of vegetative or other surface resources thereof; and that, except for clearance for such purposes, any permitted severance or removal of timber must be in accordance with sound principles of forest management. Said section 4 also provides that any use of the surface of any such mining claim by the United States, its permittees or licensees, shall be such as not to endanger or materially interfere with the prospecting, mining, processing or reasonably incident uses by the mining claimant.

The date of first publication of this Notice shall be December 23, 1959.
