Worth Considering

THE OWNER AND BUILDER of this fine home has lived in the same neighborhood continuously for the past 25 years and has recently built a new home for himself on an adjoining lot. This home was designed for this particular lot and though individually built, the price you pay for what you get will surprise you. All we can say is that it is as nearly perfect in every detail as you will ever find, distinctive in design and decoration, and yours to move into if you can arrange a down-payment of around $3000. Needless to say we consider this an exceptionally fine home and a real opportunity for someone who wants a permanent home.
