BUSINESS OPPORTUNITIES.

WE HAVE a complete salmon and herring gallery with everything necessary to operate on a large scale. This represents an investment of $80,000; value of 1918 season's pack, $64,000. We are going to operate a salmon cannery the 1919 season, which will require more funds. We have, therefore, organized a new company with a larger capitalization and would like to get in touch with parties who wish to become interested in the fishing business and would put in their money towards helping to finance this enterprise. Anyone looking for such an investment, whether in large or small amounts, could never wish for a better opportunity. We have, with our present fishing locations and fish trap sites, a reasonable assurance of 2,000,000 salmon per season. We will can salmon by June 1. To save time, communicate by wire to Hinchinbrook Packing Company, Cordova, Alaska.
