Building in Oregon Since 1946 3-4/103

Are you tired of:
• Uncovering and recovering stacks to load trucks?
• Bales lost due to leaking covers?
Superior Building Manufacturing Inc. can help ease your mind by:
• Providing a quick payback of 5 to 7 years compared to tarping
• Reducing the loss of bottom and top bales due to water damage
• Reduction of labor by not having to uncover and recover stacks
• Knowing your bales will be in the same condition you originally stored them
Superior Building Manufacturing Inc. offers Engineered buildings in many different sizes. Engineered sizes available are:
• 41',51',63',72',80' wide buildings by length of your choice.
• Full professional construction or easy to construct yourself
• All buildings are designed and engineered to meet your local wind and snow loading in your area
