USED CAR CHATTER.

Hello, George.
Hello, Al—
Where are you going, George?
Down to Obye's Used Car Store.
What for?
Goin' to buy a used car.
Thought you just bought one last week.
I did.
Where is it?
Sold it.
What for?
Two hundred more than I paid for it.
Wher'd you buy it?
At Obye's.
How much?
Five hundred and fifty.
Pay 'em cash?
Nope. Traded liberty bonds.
Does he give full face value for bonds?
Yep.
I wonder if he gives any terms?
Sure. Easiest in town.
Has he got much of a stock to select from?
Biggest in town.
Say, are you kiddin' me?
You know me, Al.
What makes has he got on hand?
Oh, the last time I was there he had:

BUICKS
DODGES
OAKLANDS
CHEVROLETS
FORDS
MAXWELLS
OVERLANDS
STUDEBAKERS
ELGINS
SAXONS
COLES
HUDSON
JORDANS
HUPMOBILES
STEVENS
STUTZ
CADILLACS
CHALMERS
CHANDLERS
HAYNES

In fact, most any kind of a car you want.

You s'pose he's got all those makes now?
Sure; he buys 'em by the train load.
How can he sell 'em so cheap?
'Cause he's on the east side, out of the high rent district.
Where you goin', Al?
Why, I was goin' over to the west side to discount my liberty bonds and pay cash for a car, but I think I'll go along with you down to Obye's and save all that time and incidentally save the discount on the bonds. And say, George, I believe I'll buy a better car than I was figgerin' on, since he gives easy terms and I can pay for while I ride.
All right, Al, come on.
We might add—
George bought an Oakland 6 and Al bought a Hudson Super (He had intended buying a Ford or a Maxwell). And they're both tickled to death with their cars. Come in and get tickled yourself.

USED CAR BUYERS.

Let's have a little heart-to-heart talk. Have you ever asked yourself these questions? Where can I go and buy a used car that I can depend on? One that will be a source of pleasure instead of a bunch of regrets?

One that can be sold on its merits and not on misrepresentations? Who is the used car dealer that instructs his salesmen to stick strictly to the truth when selling a car?

We know, and so do several thousand satisfied owners to whom we have sold cars in the past year. Come in and let us refer you to some of them.

When you buy a pair of shoes or a hat or any article of wearing apparel, you always go to some reliable merchant who has a large stock to select from. Now isn't it more important that you use the same good judgment when buying an article that represents as much money as a good used car?

Think all these things over, then come in and we will show you the largest and best stock of used cars in the city, and remember this one thing, "We will tell you the plain, unvarnished truth about any car in this stock."

See if there is any car in this list you like, and bear in mind these are only a few of the many we have:

1918 Buick 6, 5-passenger.
1918 Jordan 6-passenger.
1919 Cole Aero 8, 4-passenger.
1919 Studebaker 6, 7-passenger.

GARAGE FOR SALE.
I have one of the finest and best-paying close-in garages on the east side, right in one of our best residence districts, also a number of large apartment houses near by. I have owned and run this place as a garage and new and used car sales agency for over seven years and can show you it is one of the best-paying corners on the east side; the building is a 85x100 two-story of first-class construction, 50-foot street frontage, making it ideal for garage purposes. It is fully equipped with special wiring for shop, electric sign, gasoline pump and air system; price $30,000; $15,000 cash will handle; this is about $7500 under what it would cost you to duplicate it; would not consider any trades. For sale by owner. T 73, Oregonian.
