Life is a race—not for a silver cup, but for character—that is the goal. The prize is Heaven, but the race must always be run, and fit to many, is outward defeat, and to a large number, inward defeat.—January Ladies' Home Journal.

NEW TAX LAW.

At the last session of the legislature a new law was passed in regard to the collection of taxes, which law took effect December 1st, 1901 and its substance is as follows:

1. If you pay your tax on or before March 15th you will be allowed a rebate of 3 per cent.

2. If you pay your taxes between March 15th and up to and including the first Monday in April, there will not be any rebate, neither will there be any penalty or interest added.

3. If your taxes are not paid on or before the first Monday in April, they will become delinquent, when there will be added a penalty of 10 per cent and the tax will also draw interest at rate of 12 per cent per annum in addition to the penalty.

4. If you pay one half of your taxes on or before the first Monday in April, then the remaining half may run up to and including the first Monday in October following; but if the first half of tax due is not paid by the first Monday in October, it becomes delinquent, and there will be added to such balance a penalty of 10 per cent, and in addition, such balance will bear interest at the rate of 12 per cent per annum from the first Monday in April until paid.

4. On all personal property taxes, if one-half is not paid on or before the first Monday in April, the law compels the sheriff to levy upon and collect the same after May 1st, hence to prevent a levy upon personal property after May 1st it will be necessary for one-half to be paid as above stated.

6. The law compels the sheriff to sell all lands on which taxes have not been paid, and that such sales shall not be held later than March 1st of the year succeeding the year in which the tax levy is made.

7. The property will be sold to the person bidding the lowest rate of interest, and certificates will be issued therefor, and deeds given to such property sold, unless redeemed within three years from date of such sale.

THE HOME GOLD CURE.

An Ingenious Treatment by which Drunkards Are Being Cured Daily in Spite of Themselves.

No Nauseous Doses. No Weakening of Nerves. A Pleasant and Positive Cure for the Liquor Habit.

It is now generally known and understood that drunkenness is a disease and not a weakness. A body filled with poison and nerves shattered by periodical or constant use of intoxicating liquors, requires an antidote capable of neutralizing and eradicating this poison and destroying the craving for intoxicants. Sufferers may now cure themselves at home without publicity or loss of time from business by this wonderful "Home Gold Cure" which has been perfected after many years of close study and treatment of inebriates. The faithful use according to directions of this wonderful discovery is positively guaranteed to cure the most obstinate case, no matter how hard a drinker. Our records show the marvelous transformation of thousands of drunkards into sober, industrious and upright men.

Wives cure your husbands! Children cure your fathers! This remedy is in no sense a nostrum but is a specific for this disease only, and is so skillfully devised and prepared that it is thoroughly soluble and pleasant to the taste, so that it can be given in a cup of tea or coffee without the knowledge of the person taking it. Thousands of drunkards have cured themselves with this priceless remedy, and as many more have been cured and made temperate men by having the "Cure" administered by loving friends and relatives without their knowledge in coffee and tea, and believe to-day that they discontinued drinking of their free will. Do not wait. Do not be deluded by apparent and misleading "improvement." Drive out the disease at once and for all time. The "Home Gold Cure" is sold at the extremely low price of one dollar, thus placing within reach of everybody a treatment more effectual than others costing $5 to $50. Full directions accompany each package. Special advice by skilled physicians when requested without extra charge. Sent prepaid to any part of the world on receipt of One Dollar. Address Dept H 392 EDWIN B. GILES & CO. 2330 and 2332 Market St, Philadelphia. All correspondence strictly confidential.

The claim of other cough medicines to be as good as Chamberlain's are effectually set at rest in the following testimonial of C. D. Glass, and employe of Bartlett & Dennis Co, Gardiner, Me. He says: "I had kept adding to a cold and cough in the winter of 1897, trying every cough medicine I heard of without permanent help, until one day I was in drug store of Mr. Hoolehan. He advised me to try Chamberlain's Cough Remedy and offered to pay back my money if I was not cured. My lungs and bronchial tubes were very sore at this time, but I was completely cured by this remedy, and have since always turned to it when I get a cold, and soon find relief. I also recommend it to my friends, am glad to say it is the best of all cough medicines." For sale by R. L. Harris.

A FIREMAN'S CLOSE CALL.—"I stuck to my engine, although every joint ached and every nerve was racked with pain," writes C. W. Bellamy, a locomotive fireman, of Burlington, Iowa. "I was weak and pale, with out any appetite and all run down. As I was about to give up, I got a bottle of Electric Bitters and, after taking it, I felt as well as I ever did in my life." Weak, sickly, run down people always gain new life, strength and vigor from their use. Try them. Satisfaction guaranteed by R L Harris. Price 50 cents.

A CONVINCING ANSWER.—"I hobbled into Blackmon's drug store one evening," says Wesley Nelson, of Hamilton, Ga., "and he asked me to try Chamberlain's Pain Balm for Rheumatism with which I had suffered for a long time. I told him I had no faith in any medicine as they all failed. He said: 'Well if Chamberlain's Pain Balm does not help you, you need not pay for it.' I took a bottle of it home and used it according to directions and in a week was cured, and have not since been troubled with rheumatism." Sold by R. L Harris.

A PROMINENT CHICAGO WOMAN SPEAKS.—Prof. Roxa Tyler of Chicago, Vice-President Illinois Woman's Alliance, in speaking of Chamberlain's Cough Remedy, says: "I suffered with a severe cold this winter which threatened to run into pneumonia. I tried different remedies but I seemed to grow worse and the medicine upset my stomach. A friend advised to try Chamberlain's Cough Remedy and I found it was pleasant to take and it relieved me at once. I am now entirely recovered, saved a doctor's bill, time and suffering, and I will never be without this splendid medicine again." For sale by R. L. Harris.

A Change in Business.

We desire to give McMinnville and vicinity a better service in the line of building materials. What we need is a mill nearer our city, and, better yet, a mill situated in our fair, growing city, where Lumber, etc., can be made the year round, giving employment to a larger number of men, supplying material during winter months, and, above all, keeping our money at home and distributing it among our business men and employes, instead of sending it away to build up other communities to our loss.

By careful investigation we have been able to locate

A LARGE BODY OF EXCELLENT TIMBER,

consisting of White and Yellow Fir, Cedar and Hardwood. This body of Timber is available to our city, but will require a large amount of capital to handle the enterprise, and if we can reduce our stock sufficiently to get the required capital, we will be able to give our patrons the benefit of the saving in the long haul from our present mill, which means a saving of at least $2 a thousand on Lumber. To secure this capital, and to secure it quickly, we commenced

On January 10, 1902,

A Sale Strictly for Cash

of our Entire Stock of Goods, consisting of Lumber, Sash and Doors, Mouldings, Paints, Oils, Glass, etc., etc. We have a large stock of strictly first-class Finishing Lumber under our sheds, and it will pay those contemplating building during the coming season to take advantage of this sale and secure strictly first-class Dry Lumber at a price that will never be equaled again.

TO DEALERS who handle small stocks of Mouldings and Shop Work, etc., here is a chance to secure your Spring Stock at a money-making price. Send in your list of goods wanted in this line, and let us quote you prices.

We have one of the largest stocks of Paint Brushes in the valley, and to Painters or Dealers this will afford an opportunity to lay in your season's stock of high-grade brushes at little money. In fact, everything that we carry in stock will go at some figure. In addition to our stock of goods we will offer our

SASH AND DOOR FACTORY FOR SALE

located in McMinnville. Also Four Head of Work Horses, Five Work Cattle, several Wagons, Harness, etc., etc. Come and make us an offer on same. No discount on any line of goods except for Spot Cash. All goods sold and entered on book, even for one day, will be entered at regular prices.

We have just added a Shingle Mill to our sawmill in the mountains, and Shingles will not be sold at a discount.

All amounts due must be settled at once. If not paid by February 1st, will be handed to an attorney for collection. If you desire to help us in this enterprise, come in and pay up and buy something for your spring repairs.

"Something New Under the Sun."

All doctors have tried to cure Catarrah by the use of powders, acid gases, inhalers and drugs in paste form. Their powders dry up the mucous membrane, causing it to crack and bleed. The powerful acids used in the inhalers have entirely eaten away the membranes that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and expert practitioner who has for many years made a close study and specialty of the treatment of Catarrh, has at last perfected a Treatment when faithfully used, not only relieves at once, but permanently cures Catarrah, by removing the cause, stopping the discharges, and curing all inflammations. It is the only remedy known to science that actually reaches the afflicted parts. This wonderful remedy is known as "Snuffles the Guaranteed Catarrh cure" and is sold at the extremely low price of One Dollar, each package containing internal and external medicine sufficient for a full month's treatment and everything necessary to its perfect use.
