Typhoid Clinic Scheduled At Elkton Next Thursday

By MRS. C. W. HENDERER

There will be a clinic at the Elkton Grade School next Thursday at 10:30 a.m. for typhoid booster shots for those persons previously immunized who wish to keep the immunity active.

Any adults or pre-school children who cannot come at that time are asked to get their shots between 12 and 1 p.m.

The charge for typhoid immunizations is 15 cents per shot.

Persons not previously immunized for typhoid fever may receive the first of the series of three shots at this time, provided they can arrange to complete the series elsewhere.

The Health Department plans only one typhoid clinic in this area this year.

Accepts Nomination

Gene Fisher has accepted the nomination for the office of school board member for a five year term in Elkton.

The freshman class recently gave a return party for the sophomore class at the high school with Miss France as supervisor. About 45 students and guests were present. The evening was spent playing various games. Refreshments were served at the close of the evening.

The American Legion members and auxiliary members and their families are invited to a potluck dinner at the Kellogg Grange Hall Saturday 19 at 7 p.m.

Mr. and Mrs. Bob Beal spent last week in Port Orchard and Vancouver, Wash., visiting relatives.

Mr. and Mrs. Robert Dietrich and family visited in Albany last weekend at the home of Mr. and Mrs. Bob Howard, formerly of Elkton.

Mr. and Mrs. Jim Adamo spent last weekend in Portland where Mr. Adamo attended the American Legion executive board meetings. They also visited at the home of Mr. and Mrs. Walter Sanders.

Mr. and Mrs. Dave Scott and son moved last weekend to Medford. Wayne Scott is staying with Mr. and Mrs. James Davis until school is out when he will then join his mother in California.

FIELD TRIP SUNDAY

Douglas Camera Club will make a one-day field trip to Crater Lake Sunday. An open invitation to join the trip is extended to non-members interested in amateur photography. All cars are to meet at the Greyhound Bus Depot and leave from there at 8 a.m. Each carload will be responsible for taking its own lunch, states Art Glover, club secretary.

Dr. Paul B. Means, department of religion, University of Oregon, was speaker at the last meeting. He spoke on the topic, "Religion and Nationalism in Asia."

Mrs. Clifford Domas, accompanied by Mrs. Francis Lintott, sang two selections.

The scholarship committee was named, with Mrs. Kenneth Kirk chairman, and Mrs. W. D. Hoelst and Irene Walker. They will report the successful candidate for the scholarship, awarded for leadership ability, at the next meeting.

DAR Electing Officers Slate

WASHINGTON (AP) — Voting for seven new vice presidents general occupied the Daughters of the American Revolution Thursday.

Also getting attention were 25 more policy resolutions ranging from racial problems to a demand for United States withdrawal from the United Nations.

A report was due, too, from a committee sent to talk to capitol architect J. George Stewart on the proposed extension of the east front.

The DAR has under consideration a resolution opposing the capitol extension, calling it a plan to "vandalize the historic east front." Stewart asked for a chance to give his views, and resolutions committee chairman Mrs. John H. Pace of Columbus, Ohio, and a few of her co-members went to the capitol Wednesday to confer with Stewart.

In the election, eleven candidates are in a race for seven vacant three-year terms as vice president general.

LAST MINUTE RETURNS

SALEM (AP)— A lot of Oregon residents apparently didn't mail their state income tax returns until the last minute.

Sixty mail sacks were delivered to the Oregon Tax Commission here Wednesday.

They mostly contained tax returns sent shortly before the Tuesday midnight filing deadline.

Wolf Creek Man Receives Injuries In Woods Accident

By MRS. GERALD B. FOX

Lyman Johnson of Wolf Creek was taken to the Medford hospital by ambulance Monday, after he was injured in a woods accident near Glendale. Examination indicated a broken collar bone and he was released from the hospital Tuesday.

Man On Crutches

Bill Ham, injured in a lumber carrier accident some time ago, was able to return to work as a grader at the Glendale Stud Company recently. However, he is still on crutches.

The Life Edson family in Glendale report that during recent work on the foundation of their home they found a box of old 5x7 glass photographic plates under the house, a number of them in excellent condition, although very old.

Mrs. Bill Graham of Wolf Creek has returned home from the Josephine General Hospital following major surgery. According to her husband, she is doing well.

James Price, 3, son of Mr. and Mrs. Jimmy Price of Glendale, fell off the porch at his home on Monday and broke both bones of his right wrist.

Mr. and Mrs. Hollis Grigsby, formerly of Glendale and recently of Wilmington, Calif., returned last weekend to Glendale and are temporarily staying in the Jimmy Reed home at the Old Glendale Junction while the Reeds are visiting in Oklahoma. A little later Grigsby will move their trailer home to Glendale, since he is now logging with his brother, Leon Grigsby. Mrs. Grigsby reports that her brother, John Harrington, a former resident who visited with the Grigsbys several summers after his family moved to California, is a member of the Marine Reserve, and will join the Marine Corps after his graduation from high school this spring.

Take Hike

The Shutter Bug 4-H Photography Club met Monday afternoon, after school at the home of Carol Burgoyne in Glendale. The members went for a hike and took pictures. Members finished planning their exhibit in the achievement day display to be held April 28 at the Glendale Grade School.

Joe Frank McDonald left, by plane for Anchorage, Alaska, where he has employment. His wife and, grandmother, Mrs. Lillie McDonald, will follow him in a short time. The elder Mrs. McDonald will visit her son, John McDonald.

Mike O'Neal, 12, son of Mr. and Mrs. Glade O'Neal of Glendale, broke his right leg in four places this week while playing baseball. He was taken to the Forest Glen Hospital by ambulance.

The Glendale fire truck was called to the Charley Tooley residence Tuesday for a small fire which broke out in some stored furniture. The fire was nearly under control, however, by the time the truck arrived. Cause of the fire was unknown. It was discovered and reported to Mrs. Tooley by neighborhood children.

Historical Society Gets Talk On Transportation

George B. Abdill, authority on history of transportation in the Northwest, will speak at the Roseburg Woman's Club Sunday at 1:30 p.m. for the Douglas County Historical Society.

He will show pictures from his collection of early transportation methods, and speak on the topic, "Early Railroading In Douglas County."

All guests and anyone interested in the Historical Society, are invited. There will be refreshments served during a social hour following the meeting.

TO WITHDRAW SUIT

SALEM (AP) — Atty. Gen. Robert Y. Thornton announced Wednesday he would move to dismiss his suit to enjoin federal officials from changing the formula for distribution of federal forest road funds.

Thornton said the suit is not necessary now that President Eisenhower has signed the compromise forest highway bill.

The suit was filed in federal court in Washington, D. C.

Thornton said the bill increases Oregon's forest highway allocation by $650,000 for next year.

Bobo's Attorney Given $30,000 Award By Jury

NEW YORK (AP) — A jury this week awarded $30,000 to a Wall Street lawyer for services connected with the divorce of Winthrop Rockefeller and Barbara (Bobo) Sears Rockefeller. The attorney had sought $100,000.

A State Supreme Court jury deliberated three hours before ordering payment to Leo C. Fennelly. After the verdict, Fennelly asked for a new trial on the ground that the amount awarded was not enough. Justice Aron Steuer turned him down.
