LET'S HIE TO
THE TROUT
STREAMS IN
OUR LIL' OL'
CAR!!

Wish we had asked "Bud," the chief fisherman of this section o' the woods, to write this for us, cause he's so chummy with fishy waters and loves his own bait. Pretty short doings, we'll say, if once in a while a fellow can't hie off into the mountains and

HOOK A FEW
BIG ONES, BUT—

lots of fellows would if they knew how easily they could get the means of transportation. One of our

USED CARS THAT WE'RE
SO PARTICULAR ABOUT
TAKING IN ON NEW ONES

is just the thing for a quick, dependable run out and back—and comes in handy, too, when "the folks" want to do a little running about town or have some fresh air on Sundays—a car that is always ready and willing to go anywhere at any time—and being good cars

THEY'RE NOT
AFRAID OF ROUGH ROADS
AND LONG JOURNEYS.

Another thing. Did you ever stop to figure that dealing in used cars in the manner strictly observed here—that of taking in used cars in part payment for new ones—means that we never have anything on hand that is not in pretty good shape when we get it, because the former owner always sets his price and if the car is not worth it, it simply means "no trade." In other words, we don't go into the open market and buy up "just any old thing" to fix up and sell at a big profit.

That's another thing about getting a used car here—profit. We get so many in that we have to turn them quickly—and we'll tell the world that we're glad enough to dispose of them, as a rule, at what they cost us.

And then, too, we're an established distributive agency for a number of well-known standard makes of automobiles and the same high-class methods of doing business that prevail in distributing these cars are in vogue in the work of disposing of our used cars. Thus, when we place our knowledge of new and used cars back of your purchase—as is necessarily the case when you purchase here—you are assured of clean-cut merchandising and close margins all along the line.

Among the cars now ready for you to drive away at a moment's notice are:

APPERSONS	HAYNES
BUICKS	OLDSMOBILE 8s
COLES	CUTTING BUGS
FORDS	R. C. H. BUGS
CHALMERS	STUDEBAKERS
REOS	OAKLANDS
SPEEDWELLS	VELIES
WINTONS	LAMBERTS
OVERLANDS	MITCHELLS
REGALS	PAIGES
DODGES	SAXONS
FRANKLINS	MAXWELLS

—and Excelsior Motorcycles (with side car).

Let's look them over together—you to decide what suits you, prefer—how you want to pay for it—and away you go, ready for the road and ready to go to the end—always sure that your car will bring you back.

The well-known dependable "Obye Policy" holds good in this sale—a square deal. Liberty bonds accepted.
