# Quebec, Bay Region Rumored For Meet

PARIS (AP) — Today's best guess for the site of an East-West summit conference is San Francisco, or Quebec.

Allied diplomats also reported that the target date favored by the Western powers for the conference is about Aug. 1.

Decisions on both points would have to be taken by East-West foreign ministers who meet in Geneva May 11.

As of now, the big powers have not definitely decided that a summit meeting will be held.

Both San Francisco and Quebec have been formally offered to the Big Four as summit sites. In the case of San Francisco, this has been done by the civic authorities. In the case of Quebec, Canada has sent notes to the powers concerned.

Britain has indicated to the Allies a preference for Vienna. The French also favor a European city, but reportedly would not object to a North American meeting place.

Sovier Premier Nikita Khrushchev is believed ready to meet the Allies almost anywhere—perhaps most of all in the United States which he has never visited.

# Tennis Court Plans Furthered During Glendale PTA Meeting

By MRS. GERALD FOX

During the last meeting of Glendale PTA, Mrs. Ann Bartle, PTA representative to the coordinating council, reported that other groups in the city had signified interest in cooperating with the PTA in putting in tennis courts, but only if they are made public.

Mrs. Bartle also reported that the Bloodmobile will be in Glendale during July.

Mrs. Joan Mehl read a report from the Tennis court committee, which had met and estimated the cost of cement and fencing materials for putting in three tennis courts at about $1,800. The committee hoped it might be possible to get the work of installing the courts done without charge, and that they could be put on school land. Figures were computed only on a cost basis.

**Report Due**

Members voted to have the report presented to the school board at its next meeting to see if school property could be obtained for the courts and if they might be suitably situated for public use

The treasurer reported a balance of $135.35 after money is set aside for the state scholarship fund and for sending delegates to the state convention.

New officers were installed as follows by Mrs. Ina Lee Densley, a past president: Mrs. Bernice Cleveland, president; Mrs. Bartle, vice president; Lewis Price, secretary, and Mrs. Barbara Howard, treasurer. Corsages were presented to the ladies and a buttonhole flower to Price.

Mrs. Frances Price said that Sunday is Oregon Conservation Week, and that in connection with its observance, there will be grade several downtown store windows.

A request for the PTA to participate in the July 4 Centennial Celebration in Glendale was tabled for decision at the next meeting.

Mrs. Mehl read a letter from the Roseburg committee for the White House Conferences on child welfare. It explained that community conferences were being held all over the country and that information from local groups was being gathered and sent to Washington, D.C., for use by the members of the National Conference.

Glendale PTA was asked to form such a group and to meet in time to send its report to Roseburg early in May. Members scheduled a meeting, open to any members of the community interested in child welfare, for Tuesday at 7:30 p.m. in the high school.

**Clinics Slated**

Superintendent Marlen Yoder reminded members that the school board member and budget election will be at the high school Monday from 2 to 8 p.m.

Next meeting of the PTA was announced for May 18, with the date set early to fit among the various end-of-the-year activities.

A cancer film was planned for showing, but it had failed to arrive, so the meeting dismissed. Members then visited a display of journalism materials, including lay-outs of the annual. Members of the Pirate Spy, the high school paper, were working on the paper at the time.
