No Great Act of Heroism Requirde.

If some great act of heroism was necessary to protect a child from croup, no mother would hesitate to protect her offspring, but when it is only necessary to keep at hand a bottle of Chamberlain's Cough Remedy and give it as soon as the fist indication of croup appears, there are many who neglect it. Chamberlain's cough remedy is within the reach of all and is prompt and effectual.

When a durggest finds that his customers all speak well of a certain preparation, he forms a good opinion of it and when in need of such a medicine is almost certain to use it himself and in his family. This is why so many druggests use and recommend Chamberlain's Cough Remedy. J. B. Jones, a well known druggest of Cubruh, Ky., says "I have used Chamberlain's Cough Remedy in my family for the past seven years, and have found it to be the best cough medicine I have ever had."
