

Adopt an older pet this month

November is Adopt a Senior Pet Month, and BrightSide Animal Center is marking the occasion with adoption discounts throughout the month. BrightSide currently has several dogs and a variety of cats 7 years and older, and they hope this fun promotion will help all of them find good homes.

Anyone who adopts a pet older than 7 years will get to spin the discount wheel to save on the normal dog-adoption fee of \$150 or cat-adoption fee of \$25. Discounts on the wheel range from 10 to 50 percent off.

Visit BrightSide Animal Center, 1355 NE Hemlock Ave. in Redmond in November to learn the benefits of an older pet. The shelter is open Tuesday through Saturday from 10 a.m. to 5 p.m.

BrightSide Animal Center is a 501(c)(3) nonprofit, high-save animal shelter dedicated to finding homes for pets and to reducing pet homelessness with low-cost spay and neuter services. Learn more at www.brightsideanimals.org.

USFS recruits volunteers

The Deschutes National Forest, in partnership with Discover Your Forest, is hosting a volunteer recruitment event mid-November to find volunteers interested in providing support for programs at Mt. Bachelor and other locations on the forest.

The volunteer recruitment event will be held on Thursday, November 12, from 6 to 7:30 p.m. at the Deschutes National Forest, Bend-Fort Rock Ranger District, 63095 Deschutes Market Road, in Bend. The event is focused on recruiting volunteers to serve as winter interpretive rangers and winter conservation education rangers; however, people interested in other volunteer opportunities are welcome to attend the event.

Volunteer rangers will represent the U.S. Forest Service at Mt. Bachelor. Programs taking place this winter include: "Ski with a FS Interpretive Ranger"; "Snowshoe with a FS Interpretive Ranger"; youth education-based programs Project S.N.O.W and Jr. Snow Ranger. Duties

include delivering mile-long snowshoe tours or skiing blue ski runs while providing formal interpretive talks.

Volunteers are provided uniforms and training and should be willing to wear appropriate gear and have the physical ability to ski two runs daily or snowshoe one mile twice daily.

For more information contact Stacey Cochran, Discover Your Forest's volunteer and event coordinator at 541-383-5530 or stacey.cochran@discovernw.org.

A new home for a greenhouse...

PHOTO BY JIM CORNELIUS

An excavating crew broke ground on the site of a new greenhouse at Sisters High School. Two years ago, heavy snow crushed the greenhouse at Sisters Middle School. A group of people, including David Hiller, Mark Thompson, Cal Allen and Leland Bliss worked for over a year to prepare to build a new one at the high school. Audrey Tehan, of the Seed-to-Table program, will oversee the educational programming and joins the group to determine interior accommodations.
