Texas Favored By 7 Over Baylor In Saturday Tilt

NEW YORK (UPI) — Top-ranked Texas was selected today to beat Baylor by seven points in a Saturday meeting that could break their first place tie in the Southwest Conference standings.

Texas, which has won its last three games by the margin of Shoeless Tony Crosby's kicking, has a perfect 7-0 record for the college football season. Baylor has been impressive in its last two victories that were led by Don Trull, the nation's leading passer.

The country's two other major teams with unblemished records are slim picks to go through another Saturday unscathed. Auburn, 6-0 and ranked 5th nationally, is a three-point choice over Mississippi State. Princeton, also 6-0, is favored by the oddsmakers to beat Harvard by at least seven points.

Illinois, the nation's No. 2 squad, is a 9-point pick over Michigan in a Big Ten battle that could give the Illini the impetus for a Rose Bowl trip. The contest also has a personal touch. Pete Elliott coaches Illinois and brother Bump is the Michigan mentor.

Navy 14 Over Maryland

Mississippi, rated third, isn't even on the boards for its cross-sectional game with Tampa. The Rebels are prohibitive favorites.

Jolly Roger Staubach and a Navy team steaming toward a mythical Eastern championship are picked to beat Maryland by 14 points. The No. 4 Middies are out to hand the Terps their sixth loss of the season.

The remaining top teams are expected to win, but only Oklahoma (No. 6) is a big favorite. The Sooners are rated 17 points better than Iowa State. Michigan State, ranked eighth, is a field goal choice over Purdue and No. 9 Pittsburgh is figured to defeat Notre Dame by the same margin.

Nebraska, tenth, is a touchdown favorite against Kansas. Seventh-ranked Alabama is idle.

Army 17 Over Utah

Army, successful in its inter-service rivalry with the Air Force last week, rates 17 points better than Utah in a leading Eastern contest. Dartmouth is 1 over Columbia, Yale 7 over Penn, Syracuse 14 over West Virginia, Cornell 6 over Brown, VMI 7 over Holy Cross.

In the Midwest, Wisconsin is 6 over a deflated Northwestern, Ohio State is 7 better than Penn State, Indiana 1 over Oregon State, Iowa 4 over Minnesota, Cincinnati 14 over North Texas State, Miami (Ohio) 14 over Toledo.

South: Louisiana State 4 over Texas Christian, Tennessee 6 over Tulane, Florida 4 over Georgia, North Carolina 5 over Clemson, Kentucky 7 over Vanderbilt, North Carolina State 8 over Virginia Tech, George Washington 7 over Brigham Young, Memphis State 14 over South Carolina, Duke 30 over Wake Forest, Georgia Tech 10 over Florida State.

Southwest: Arkansas 1 over Rice, Southern Methodist 3 over Texas A&M, Oklahoma State 4 over Tulsa, Wyoming 7 over New Mexico, Texas Tech 15 over Kansas State, Wichita 20 over Dayton.

Far West: Washington 8 over California, Oregon 9 over Washington State, Air Force 10 over UCLA, Southern California 12 over Stanford, Missouri 13 over Colorado, Utah State 28 over Colorado State.

Professional games:

National League: New York 14 over Philadelphia, Baltimore 3 over Detroit, Cleveland 4 over Pittsburgh, Dallas 4 over San Francisco, St. Louis 10 over Washington, Chicago 15 over Los Angeles, Green Bay 18 over Minnesota.

American League: Houston 10 over New York, Kansas City 4 over Oakland, Boston vs. San Diego, even.

Ed Machen KO's McMurray In 7th

SACRAMENTO, Calif. (UPI) —Here's bad news for heavyweight boxers: The "new" Eddie Machen looks as good as the old one.

Machen, who looked fit and trim at 197 pounds, Tuesday night knocked out Bill McMurray in the seventh round of their scheduled 10-rounder before 3,000 fans at the local auditorium.

Eddie was No. 1 ranked challenger before money and career worries caused a breakdown last December.

But since returning to the pro wars in good shape physically and mentally, he has won three straight and went into Tuesday night's battle as the sixth ranked heavyweight.

Machen almost put away the 208-pound McMurray in the fourth stanza and from then on it was just the latter's grit that kept him in there.

McMurray went down in the seventh and did not regain his feet for some time after being counted out at 2:13 of the stanza.

Cotton Top Contender

NEW YORK (UPI)— Seattle fighter Eddie Cotton has replaced the inactive ex-champion Harold Johnson as the top light heavyweight contender in Ring Magazine's latest ratings.

Cotton moved into the No. 1 spot behind champion Willie Pastrano by virtue of a recent victory over Henry Hank at Flint, Mich.

Brodie Out For Year With Bad Arm Injury

REDWOOD CITY, Calif. (UPI)—It will be up to quarterbacks Lamar McHan and Bobby Waters to take the San Francisco Forty Niners through the rest of the National Football League campaign.

Doctors Tuesday told the team that John Brodie is out for the year. The Forty Niner signal-caller injured his arm in May and then reinjured it against Minnesota Sept. 29.

Doctors had hoped to remove the cast Tuesday and Brodie was optimistic he would be back. X-rays Tuesday disclosed that the arm is healing but will require at least another two weeks in the cast.

Causey Out For Season

EUGENE, Ore. (UPI)—More bad news has descended on the injury-ridden Oregon football team.

Soph linebacker Don Causey was ruled out for the Ducks' last three games. He suffered a pinched nerve in his shoulder in an upset loss to San Jose State last weekend.

Meanwhile, All-America halfback Mel Renfro, quarterback Bob Berry, and tackle Ray Johnson were all doubtful for Saturday's battle at Washington State. Fullback Lu Bain has been working out at the quarterback spot.

CORVALLIS, Ore. (UPI) — Defensive halfback Dan Sieg of Oregon State will miss the team's next two games because of a knee injury.

The Beavers, whose 5-2 record is best among major West Coast elevens, will face Indiana at Bloomington Saturday.

LOS ANGELES (UPI) — Warren Jackson worked out at fullback for the UCLA Bruins today in preparation for their meeting Saturday with the Air Force Academy.

Jackson, who holds a 3.05 yards per carry average this season, was placed at fullback after coach Bill Barnes said Tuesday Jim Colletto, the Bruins' leading ground-gainer, may not start against the Falcons due to a knee injury.

Meanwhile, the Falcons spent most of the afternoon working on their pass defense.

Indians Face Sheldon In 'Must' Tilt

Victory Needed For Slice Of Midwest League Title

By NIEL CELLERS
News-Review Sports Editor

Roseburg's Indians will be out to gain back some of their lost prestige and a slice of the Midwestern League crown Friday when they end the regular grid season before the home fans.

Friday's opponent for the high-flying Indians will be the Sheldon Irish. Kickoff time at Finlay Field is set for 8 p.m.

The Indians, as a result of last week's heart-breaking 31-27 setback at the hands of the Marshfield Pirates, will enter the game deadlocked with the Pirates and the Cottage Grove Lions for the District 5-A-1 lead. The three teams have identical 7-1 records with Cottage Grove having lost to Roseburg, Marshfield having lost to Cottage Grove and Roseburg having lost to Marshfield.

Sheldon, the newest entry in Midwestern League competition, has come on strong during its first year of operation to boast an even record of three wins, three losses and two ties. The Irish have scored 84 points and have allowed 100 points to the opposition. Sheldon currently rests in fifth place tie in league standings.

The Tribe gridders boast a rampaging offensive unit which has scored 179 points. On defense the Indians had allowed only 32 points until the Pirates broke loose with a 31-point explosion last week.

While the Indians are entertaining the Irish, other league games Friday will find North Bend at Marshfield, Cottage Grove at Willamette, North and South Eugene playing at Eugene's Civic Stadium and Thurston will square off against Springfield at Springfield's Silke Field.

Jim Beamer, talented Tribe quarterback, will lead the local crew against the invading Irish. Beamer has tossed 67 passes and completed 39 for a .582 completion percentage. The rugged field general has picked up 590 yards through the air and has added 190 yards rushing for a total offense of 780 yards.

In filling the air with passes, Beamer has had but two interceptions chalked up against him this year — one of the best records in the state.

Backing up Beamer at the quarterback spot the Indians have Jerry Remick who has completed 10 of 15 tosses.

Favorite receiver for Beamer's and Remick's passing has been end Gary Heeter. Heeter's 25 receptions is tops in league play, and the glue-fingered end has snared five TD tosses. Doug Matson, working from the other end spot, has caught 11 passes and halfback Ron Leep has held onto 10 aerials.

Halfback Bob (Smokey) Burgess leads the Tribe's ground attack, having carried 69 times for a total of 694 yards and six TDs. Fullbacks Craig Engle and Mike Leep add the power to match Burgess' speed, with Engle averaging 5 yards-per-carry and Mike Leep boasting a 4.4 yards-per-carry average.

Sophomore Alan Young does the punting for the local power, averaging 36 yards-per-kick on 29 tries. Young has also kicked 17 extra points. Engle and Don Burnham head the team in punt returns, Engle having returned seven for 50 yards and Burnham six for 132 yards.

Beamer and Young have been doing the kicking off. Beamer has booted the pigskin 30 times for an average of 43.3 yards and Young has kicked off seven times for a 40.4 average. Burnham is tops in kickoff returns with six for 113 yards.

Kirk Joins Rams Squad

MINNEAPOLIS, Minn. (UPI) — Center-linebacker Ken Kirk joined the Los Angeles Rams here today after being called up from the taxi squad.

Kirk, who was injured earlier in the season and placed on waivers, brings the Ram roster up to the maximum 37. The Rams had been one man under the limit since they traded quarterback Zeke Bratkowski to the Green Bay Packers last week.

HEAVYWEIGHT CONTENDER Cassius Clay, left, recoils in mock horror from a pair of mink boxing gloves that champion Sonny Liston, right, says he will use in their February championship fight so he won't hurt Clay's face. The pair signed for a title bout to be staged in February, a likely site being Los Angeles. Others are Liston's adviser Jack Nilen, center, former champion Joe Lewis, upper right, who delivered a $1 million bid from Los Angeles, and Denver promoter Milt Willner, holding the mink gloves. Liston, Clay Bout Slated In February

DENVER (UPI) — Heavyweight champion Sonny Liston and challenger Cassius Clay will meet next February in a 15-round title bout expected to carry the richest gate in boxing history.

The only details remaining are the exact date and the site. And backers of the fight were sitting back today considering the bids after promising an announcement Nov. 19 and making it plain the city with the most lucrative offer will get the bout.

Shortly after Liston and Clay signed for the fight Tuesday at the Denver Hilton Hotel, three separate offers of $1 million guarantees, two from Los Angeles and the other from Miami, were reported by associates of the two principals. They said Las Vegas, Minneapolis and Chicago also bid.

Liston will get 40 per cent of an expected multi-million-dollar gross and Clay 22½ per cent, a proportion Liston's backers said was the largest slice a heavyweight challenger has ever received.

Former champion Joe Louis and his United World Enterprises, Inc., of Los Angeles submitted the first offer of a $1 million guarantee. George Parnassus of the Olympic Boxing Club, also of Los Angeles, was in with the second.

Lewis & Clark Is 15th In Small College Ratings

By GEORGE C. LANGFORD
UPI Sports Writer

NEW YORK (UPI)—Unbeaten Delaware, one-sided victor over major college competition twice this season, Wednesday edged past Northern Illinois into first place among the nation's small college football teams in the United Press International Board of Coaches ratings.

The Blue Hens routed Buffalo, a major college team, 34-6 last Saturday to climax a six-week drive to the top spot, held by Northern Illinois since the third week of the season. Delaware also romped by Ohio University, another major college outfit three weeks ago.

Northern's Huskies ran their winning streak to eight this fall by shading Western Illinois 29-22 but drew only 12 first-place ballots compared to 16 for Delaware. Florida A&M, No. 3, Northern Illinois and Delaware have been the only three teams to occupy the top three spots this season.

Southwest Missouri State, with seven straight wins, tied cross-state rival Washington of St. Louis in 11th place; Eastern Carolina climbed three places to 13th replacing No. 14 Western State (Colo.), and unbeaten Lewis and Clark fell to 15th.

Unbeaten, once-tied Wittenberg remained in fourth place, Massachusetts, with an identical 6-0-1 record moved up to fifth and San Diego State also advanced one place to sixth.

Fish Count Run High In N. Umpqua River

Steelhead and salmon counts for the autumn months are running well above last year's totals at the Winchester Dam Counting Station on the North Umpqua River.

A total of 221 silver salmon were counted during the final two weeks of October, bringing the total for the year to 300. In addition 298 silver salmon jacks were counted.

Reports indicate 58 fall chinook crossed the dam between Oct. 16 and 31, the highest total since 1956, and 18 fall chinook jacks were counted—an increase of 17 over the same period last year.

Summer steelhead continue to pour over the dam at a record shattering pace, with 249 being counted since the 16th of October. The season's total on summer steelhead now stands at 4,356, nearly 1,000 more than have been counted during any one season since 1954.

Fall Horse Show Set For Saturday

The Douglas County Sheriff's Posse's annual fall horse show will open Saturday at the Douglas County Fairgrounds.

The weekend show will start at 7:30 Saturday evening, with sessions Sunday set for 10 a.m. and 1 p.m.

Everett Partin, spokesmen for the sponsoring organization, stated that this would be the "biggest and best" horse show in the county this year. He said that entries have been coming in from throughout the state. A total of 30 events, with games and classes for every horse and rider, have been scheduled.

The saddle to be awarded the high point winner has arrived, and according to Partin will be on display during the show before being presented to the winner.

Owens Is Named Coach Of Week

SEATTLE, Wash. (UPI) — The state of affairs was unusual, to say the least, when Jim Owens of the University of Washington football team was informed that he had been named United Press International Coach of the Week.

The Huskies, by Owens' own admission, had played their toughest football game of the season when they clobbered defending Big Six Conference champion Southern California 22-7 Saturday, but there was only one man on the trainer's treatment table seeking physical repair.

86 PROOF KENTUCKY STRAIGHT BOURBON WHISKEY DISTILLED AND BOTTLED BY THE JAMES B. BEAM DISTILLING CO., CLERMONT, BEAM, KENTUCKY

All American in any position

Since 1795, Beam has been an All American favorite . . . filling the leisure moments of Americans who enjoy good living. It's leisurely distilled to the same formula created by Jacob Beam in 1795 . . . aged gently in the time-honored way for a smoothness and lightness that is distinctly Beam's. Wherever people have a taste for good living, Beam is part of the scene. Discover the pleasure of Jim Beam as millions of people all over America have.
