NOT IN ANY TRUST

Many newspapers have lately given currency to reports by irresponsible parties to the effect that

THE NEW HOME SEWING MACHINE CO

had entered a trust or combination; we wish to assure the public that there is *no truth* in such reports. We have been manufacturing sewing machines for over a quarter of a century, and have established a reputation for ourselves and our machines that is the envy of all others. Our *"New Home"* machine has never been rivaled as a family machine.—It stands at the head of all *High Grade* sewing machines, and stands on its *own* merits.

The "New Home" is the only really HIGH GRADE Sewing Machine on the market.

It is not necessary for us to suffer into a trust to save our credit or pay any debts as we have no debts to pay. We have never entered into competition with manufacturers of low grade cheap machines that are made to sell regardless of any intrinsic merits. Do not be deceived, when you want a sewing machine don't send your money away from home; call on a *"New Home" Dealer*, ad can and you a better machine for less than you can purchase elsewhere. If there is no dealer near you, write direct to us.

Bright's Disease.

The largest sum ever paid for a prescription, changed hands in San Francisco, Aug. 30, 1901. The transfer involved in coin and stock $112,500.00 and was paid by a party of business men for a specific for Bright's Disease and Diabetes, hitherto incurable diseases.

They commenced the serious investigation of the specific Nov. 15, 1900. They interviewed scores of the cured and tried it out on its merits by putting over three dozen cases on the treatment and watching them. They also got physicians to name chronic, incurable cases, and administered it with the physicians for judges. Up to Aug. 25, eighty-seven per cent of the test were either well or progressing favorably.

There being but thirteen per cent of failures, the parties were satisfied and closed the transaction. The proceedings of the investigating committee and the clinical reports of the test cases were published and will be mailed free on application. Address JOHN J. FULTON COMPANY, 420 Montgomery St. San Francisco, Cal.
