The First Game

ST. HELENS DEFEATS RAINIER IN GOOD EXHIBITION OF BASE-BALL

If any St. Helens fan journeyed to the St. Helens baseball park Sunday with the idea they would go out and see our old time rival Rainier administer to the locals a good drubbing, they didn't have the nerve to make their ideas known after the game, for our boys went right after the game from the first inning and when the smoke cleared away at the last inning the score was 7 to 4 in favor of St. Helens.

We are not going to give any detailed report of the performance, but the two hundred loyal fans that cared nothing for the threatening weather will bear evidence that they certainly got their money's worth and witnessed a rattling good game which was exciting from start to finish. Keck was on the mound for Rainier, while Stevens did the hurling for St. Helens and had a shade the best of the argument all the way through. At times when his support was a little wobbly, he would tighten up and either send the batters to the bench via the ozone route or cause them to bat flies to the outfield which were easily taken in by Richardson and Eichman, who by the way played star games. Keck got into trouble in the very first inning, for with two men on bases and two out, Morton came through with a two base swat scoring both runners. In the second inning Grannigan, for Rainier, poled a nice one over left field fence, but at this juncture Stevens tightened up and Rainier forgot the scoring habit until later in the game when a combination of hits and errors gave them three runs more. In the meantime our boys kept pegging away at Keck and before the final spasm had chased over 5 runs giving them a total of 7 scores all told. All in all, it was a mighty good game and was thoroughly enjoyed by all the St. Helens fans present, who this year have made up their minds they are going to give the boys the good support they deserve.

St. Helens is very lucky in securing Herlow to catch. In addition to being a No. 1 catcher, he is a wise old head at the game and holds the younger ones down.

Stevens, as usual, pitched his steady, consistent game, and when too many Rainier runners were on the paths to suit him he would put a little extra stuff on the ball and Mr. Batsman usually went back to the bench.

Danny Richardson in the center field played a very pretty game, accepting several hard chances and getting agay with them nicely.

Eichman's long and accurate peg from the left field to the home plate was a beauty and robbed Rainier of what appeared to be a sure score.

Morton's great batting was one of the features of the game and helped the score out also.

Earl Perry will make a good second baseman as his performance clearly demonstrated. Heretofore Earl has played right field.

Brakke at third played his usual good steady game and in addition to that was very handy with the stick.

Two youngsters, McDonald and Robertson, were given a try out and came through in good shape. After they get over their "stage fright" they will be valuable additions to the team.

K. P. LODGE VISITS RIDGEFIELD

ABOUT 100 ST. HELENS PEOPLE FEAST ON RIDGEFIELD STRAWBERRIES

A jolly crowd of Knights and their ladies and friends boarded the Steamer America last evening at 7:30 bound for Ridgefield, Wash., where the K. of P. Lodge of that little city was holding the annual strawberry festival. The crowd from here numbered nearly 100 and every one of them was bent on having a good time, incidentally to partake of a feast of strawberries and cream, served only as the Ridgefield people can serve them. Upon arrival at the Washington town a delegation of citizens and lodge members met our people and escorted them to the lodge hall where a large crowd had already assembled and after a short time spent in renewing acquaintances, getting acquainted etc., an impromptu program was rembered by members from Ridgefield and St. Helens. The program was as follows and was thoroughly enjoyed by the large crowd:

Selection, Galichio's Orchestra.
Address of Welcome, Mr. Blackburn.
Response, M. E. Miller.
Bits of Ragtime, Prof. Carl Steinbach.
Vocal Solo, A. A. Galichio.
Address, W. B. Dillard.
Address, F. A. George.
Address, Mr. Blackstone.
Selection, Galichio's Ordhestra.
Vocal Solo, Miss Susie Ketel.
Good-bye, W. J. Fullerton.

After the program the large hall was filled with tables upon which were placed large dishes of delicious ripe strawberries with pure cream, and other things necessary to make it a grand feast and to these tables the guests were seated and ordered to partake thereof. It is needless to say that the orders were strictly carried out. It was certainly a warm reception, a fine entertainment and a feast fit for kings. This strawberry festival by the Ridgefield people has grown to be an annual event and with each recurring year the St. Helens Lodge is invited and always accepts the invitation.

CARD OF THANKS

The wife and children of Mr. F. C. Games extend their most heartfelt thanks to the friends and Brother Odd Fellows for the services rendered and the sympathy and kindness shown during their bereavement in the loss of their beloved husband and father.

Father Time has given Ballagh and Morton a respite of three weeks to see if they "can come back." Judging from their performances Sunday we believe the old man will make this respite indefinite.

Jack Lafferty was on the job all the time and seldom has a game been played when there was so little kicking at the umpires decisions. We hope Jack will be on the job as a steady thing.

The rooting of the St. Helens fans, especially Joe Day, was much encouragement to the boys.

The Rainier band is a daisy and helped enliven matters with good music and they were not stingy with it either

Next Sunday comes the Columbus Club. Our boys have been practicing quite regularly during the week and a good game can be expected.

F. C. Games

Last Monday afternoon Mr. F. C. Games, an employe of the St. Helens Lumber Company, was stricken with heart trouble and passed away quite suddenly. Mr. Games and his family moved to St. Helens about six months ago and he immediately secured employment in the mill here, which position he has held since. He was well liked by his employers and his fellow workmen. Funeral services were held at the M. E. church Wednesday afternoon, the Odd Fellows Lodge having charge, and interment was made in the I. O. O. F. cemetery at Warren. Mr. Games was born in Callaway County, Missouri, on April 19th, 1855. He leaves a wife and the following children: Ernest Games of Raymond, Wash., Perry Games, of Klamath Falls, Ore., Mrs. O. A. Apple, Portland, and Cecil, Frank and Fred Games of St. Helens.

SHIPPING NOTES

The fleet of vessels loading in Lewis river was further increased by the arrival of the Merced Wednesday night. She will come over to the docks of the mill company tonight and finish Saturday, sailing for California ports Saturday evening. She will take out about 50 passengers who will come to St. Helens to embark on her.

The Schooner Jewett left down Thursday on the tow lines of the bar tug Wallula, bound for San Pedro with a cargo of 650 feet of ties loaded at the new shipping point, Lewis River. The Irene will follow on Saturday and the skippers of the respective vessels will engage in another close race.

The Steamer Klamath sailed from San Francisco Wednesday night and is due in the river Saturday. After discharging her Portland cargo she will come to St. Helens for a full cargo of lumber.

The Steamer Yosemite is due to sail from San Francisco tonight and should be at St. Helens the early part of next week.

Mrs. Emma Vivian

Mrs. Emma Vivian, an old resident of Columbia County, died at her Portland home last Friday, June 13th. Funeral services were conducted at the home and interment was made in the Deer Island cemetery beside the remains of her husband who died in November 1911. Mrs. Vivian was born in England on June 28th, 1845. She has lived in Columbia City for 14 years and was well known and highly esteemed by a large number of people. Four weeks ago she moved to Portland and after having been there for only one week she fell and sustained a fractured hip from the effects of which she never recovered. She left no immediate relatives in this country. The services at the cemetery in Deer Island were simple but impressive and the floral offerings were very beautiful.

RIVER IS FALLING

MILLS RESUME WORK AND DANGER POINT IS PASSED

The river at this place is receding. Since last Saturday a fall of nearly a foot is noticed and still going down. The Columbia County Mill above town has resumed operations, the water having gone down enough to permit it. The water at the Creosoting Works is still so high that the plant is still idle and it will require a fall of several feet yet before work will be resumed there. At the shipyards the men are all at work again.

$100 Reward

We will pay a reward of $100 for the arrest and conviction or for information leading to the arrest and conviction of the person or persons who stole cattle from the A. A. Knox ranch on Bachelor slough and Columbia river.

SUCCESSFUL EXCURSION

AMERICA TAKES CROWD TO SEE THE ELECTRICAL PARADE

Last Saturday evening at 6 o'clock Captain Abel of the America swung out from the St. Helens dock with a full list of St. Helens people bound for Portland to take in the great electrical parade of the rose show. The St. Helens band went along and played all the way to the city, which was reached about 8:30 and the crowd from here was in good time to take in the sights. Everything was carried out nicely, the boat leaving on the return trip at 12 o'clock and reaching home at 2.05. It was one of the most enjoyable excursions ever held from this place.
