the Laws of 1917, ratifying the act of the County Court and Commissioners of Columbia County in paying the said James Canfield the monthly sum of $20 per month and authorizing, empowering and legalizing the continuation of said payments or the settlement by Columbia County with the said James Canfield for said injuries and accident in a lump sum at the rate of $20 per month based upon his expectancy of life; and it appearing that the said James Canfield is of the age of fifty-six years and that his expectancy of life based upon the mortality tables compiled by the Secretary of the State of Oregon is 14.689 years and that the aggregate amount of said payments based upon such expectancy is the sum of $3528; and it further appearing that the said James Canfield has no relatives or dependants in the State of Oregon upon whom the law could impose the obligation and duty of caring for and contributing to the said James Canfield's care and relief, but it appearing that the said James Canfield has a brother living in the State of Colorado and that the said brother desires and it is his wish that the said James Canfield, so long as he may live, shall make his home with the said brother; and it appearing to the above Court and County Commissioners and they having considered that it is to the best interests of James Canfield and Columbia County, and that it is just, right and proper that in lieu of the monthly payments of $20 per month, the said James Canfield be settled and compromised with and be paid a lump sum in lieu thereof, now, therefore,

It is considered and ordered that the County Clerk of Columbia County draw a warrant on the County Treasurer of Columbia County, payable out of the General Fund of Columbia County, Oregon, in favor of James Canfield in the sum of Three Thousand ($3000) Dollars, and that said payment be in full to the said James Canfield of all demands or obligations in law or in equity growing out of or by reason of said accident and injury and for any and all other claims or obligations, if any, in favor of the said James Canfield and against the said Columbia County, Oregon.

On this day claims against the County, as heretofore filed with the Clerk of the Court were examined and allowed in the various amounts as carried out on the face of said claims.
