The St. Helens baseball team went to Rainier last Sunday to play the husky Rainier boys, and rather surprised themselves as well as Rainier by nearly doing up the team from the city that hired enough players to win at the tournament last year. When it comes to "home talent," and not hired players, St. Helens can make any team in the county hustle. The score was 8 to 5. Up to the last half of the eighth inning St. Helens was ahead, but it was then that Rainier got four men over the plate, changing the score from 5 to 4 in favor of the visitors, to 8 to 5 in favor of the home team. Next Sunday Rainier comes to St. Helens.

Old Ireland was the victor, England being second, and Uncle Sam bringing up the rear of the procession. The prizes were souvenirs of the Lewis and Clark Exposition—two steins and two plates—were won by Mrs. Gray, Mrs Harris, Mr. C. Muckle and Mr. W. B. Dillard. Elegant light refreshments were served. The guests present were: Mr. and Mrs. Quick, Mr. and Mrs. Gray, Mr. and Mrs. Harris, Mr and Mrs. Dillard, Mr. and Mrs. Johns, Dr. and Mrs. Cliff, Mr. and Mrs. Powell, Mr. Chas. Pay your poll taxes. It is but right that everyone should help support the county. If you are robbed you expect help from the officers. Work on the fill in the road just beyond the school is progressing rapidly. The swale, where the fill is being made, has long been a source of expense to the county. In the first place a bridge was built across it at a heavy expense—probably $1500 or $1600. The fill now being made will cost but about $250 and will be a permanent improvment. It is about 600 feet long, and wide enough for two teams to pass on it. It would have cost four or five times as much probably, but the stone and dirt were handy and the work has progressed rapidly. For the past few days Judge Hattan has had a crew of boys at work handling the light rock and reports that they can put out as many loads as the men.

If Columbia County people who intend visiting the Lewis and Clark Centennial will notify the editor of the Mist some time in advance of their coming, giving the date they expect to be present, the number of their party, and the price they are willing to pay for rooms, we will do our best to secure accomodations for them. There is no lack of good rooms at present, but later on they will be hard to find. Those who expect to stay several days should have rooms as near the grounds as possible, thereby saving car fare and a great deal of time.

Several parties from Kist attended the Memorial services at Vernonia, May 30. The singing was enjoyed by all present. Mr. Wm. Metzger spoke Lincoln's "Gettysburg Address," and spoke it well. Omar Spencer's address was of a high order and was delivered with ease and grace, and at the same time with a force that captivated his audience. It is a pleasure to note the strength of a young man who has made his own way, largely. The success of such a one is already assured. Come to think about it, this Nehalem valley can boast of several sons and daughters who have distinguished themselves, from humble homes.

Last Saturday, June 3rd, was the twenty fifth anniversary of the wedded life of Mr. and Mrs. I. Spencer. About one hundred of their friends and neighbors from Kist and Pittsburg according to previous arrangements, gathered at Vernonia on that day with full baskets and a few silver presents, carried out a complete surprise by driving to the Spencer home. Mr and Mrs. Spencer had been invited to their daughters' Mrs. Momstens, and had just sent Robby—innocent boy—to hitch up the team when the procession drove up. It was a pleasant greeting indeed. The hostess will be disabled several days from shaking hands with all that crowd. After the sumptuous and jolly luncheon was over, Dr. Hatfield delivered an address which was well taken and warmly responded to. Rev. Coleman spoke a few very appropriate words and Rev. Weinart led in prayer. After singing "Blest be the Tie," the crowd wished them another successful twenty five years and dispersed feeling that it was real good to have been there.
