Good city milling and feed store.
GENERAL STORES.
In Willamette Valley, Southern and Eastern Oregon, some good bargains; from $3000 to $10,000.
GROCERY STORES.
Can only recommend city propositions in this line. They are unprofitable in small towns. Old established stands can now be had located in different parts of city. A necessity for this business is some experience and as much as $1500 capital. With this it is a safe and good business.
A responsible business woman has a proposition to submit to a party with $5000 or upwards. It looks gilt-edge.
Investments examined and reported on. Capital secured for meritorious enterprises.
Rooms 202, 203, 204 and 205 Abington bldg.
