MONDAY EVENING JUNE 27, 1904

Circuit Court convenes today in Baker City. One of the principal cases will be the attempt to recover on the bonds men of ex-sheriff Huntington who was short in his accounts.

Remember that there will be all kinds of fire running around loose on the Fourth and do not forget to have the garden hose connected and plenty of water in the tub. This town has had some costly experience with Fourth of July fire.

It is reported that the logging camps in the Western portion of the state will close down during July and August, owing to the light demand in the oriental trade as well as in the eastern states. Logs that were selling for $8 to 9$ have dropped to $5 per thousand.

The official count shows that local option carried in the state by a majority of 3,118 votes. Governor Chamberlain has issued his proclamation and the law went into effect today. The first election that can be taken under the new law cannot be held earlier than next November and not then unless petitioned for by at least ten per cent of the voters of the precinct or precints petitioned for. This may include the entire state, or entire counties or single precints in any county.

The official vote of the state which has just been made shows that the head of the ticket, for supreme judge Frank Moore received 52, 946 and Thomas O'Day his opponent received 28,729 votes. The total vote cast was 69,315, a gain of 6395 over 1902.

The republican majority slightly exceeded 24,000 or nearly 24 per cent of the entire vote cast. This is an immense majority. Our readers will remember how the fact that Governor Herrick had carried Ohio in 1903 by a prurality of 113,812 in a total vote of 886,376 was heralded all over the nation.

Had Ohio gone republican as strongly last year as did Oregon this year Governor Herrick's majority would have been over 200,000. Every indication now points to the conclusion that president Roosevelt will carry Oregon this fall by at least 30,000.

By a provision in the district primary law enacted June 6th at the polls, registration of voters will be resumed this fall for the Novembers elections. Here-to-fore the registration law has been deficient in that respect, for it has required electors to register prior to May 15th in order to vote in November for president, or else to vote on the affidavit of six free-holders. County clerks throughout the state are now required to reopen the registration books between September 20th, 1904, and 5 o'clock p. m. of October 20th, 1004, and between the same dates of each and every year thereafter in which there shall be an election of presidential electors.

Tomorrow the worthy pioneers and their friends will assemble in this city as is their custom each year. On these occasions many meet for the first time since their last reunion. It is one of the most pleasant annual gatherings held in the county, lsrgely from the fact that a very large per cent of the early pioneers who first settled and made homes in this beautiful valley are here yet, very few ever had occasion to seek elsewhere for comforts and conditions that were not provided by nature here. And how will they have converted this entire valley into pretty comfortable homes is a stadding monument to their sacrifices, sagacity and energy. They had the choice of the entire Pacific coast and it only required time to prove this wise selection, made in the early sixties. La Grande extends them a hearty welcome on this occasion.
