TRONADO IN MINNESOTA

St. Paul, August 22.—One of the worst tornadoes in the history of the twin cities swept over St. Paul and Minneapolis at about 9:30 o'clock to night, killing five persons and injuring scores more.

The damage is estimated at about $2,000,000. All the wires are down in the mass of wreckage filling the streets and communication is difficult with Minneapolis.

However, what word that can be had from there at this hour indicates that the destruction wrought will figure into the millions of dollars. While no fatalities have been reported there, a great number of persons were injured.

The fatalities in St. Paul are principally confined to the Tivoli theatre building, which was demolished by the tornado.

The big steel bridge spanning the Mississippi river was completely wrecked and several persons blown off into the water. Their fate is unknown, but it is believed they probably perished.

A portion of the Wabash bridge was also wrecked. A performance was in progress at the Empire theatre, which was unroofed, and though a panic followed among the audience and pe formers, a number were hurt, how seriously is not known.

The center of the storm apparently was in the midway district. Buildings as far as the eye could reach were unroofed, windows blown in and cellars flooded by the downpour of rain following the tornado.

A late report tonight says that an excursion steamer, the Turtle, towing a number of barges, was wrecked and that many lives were lost as the ship went down. The report cannot be verified

Several steam launches are now starting for the steamer. The weather observatory reports that the wind attained a velocity of between 50 and 60 miles an hour. The storm did not last over 20 minutes It is impossible to communicate with the outlying districts in the path of the storm.

Chicago, August 22.—A report received here from a suburb of St. Paul says a story is current there that 250 lives were lost in the storm. The informant, however, says that accurate information is unobtainable.

Local Option

Portland, Aug. 22.—Local optionists are becoming active, in anticipation of the November election. A petition for a vote on whether the county shall be without intoxicants for consumption by everybody "having the price" until a year from next June has been filed with county clerk. The petition contains about 550 names.

The vote will be for the whole county. If the county votes for no liquor each precinct gets no liquor. If the county votes for the sale of liquor any precinct that votes otherwise will have to do without it. The proponents of prohibition say that they expect many precincts to vote against the sale of liquor, but hardly expect the county to favor prohibition as a unit.

Struck Oil

Salem, Or., August 22.—While digging a well at the State Mute school today a flow of water carrying petroleum was struck eight feet below the surface.

Electric Light Poles

In Cincinnati electric light poles are being taken down and the wires are being placed under ground. The Cincinnati Tribune of August 13 says:

"Workmen employed by the Cincinnati Gas and Electric Company have commenced the work of removing the electric light poles belonging to that company, which are located in the mid city underground district.

"This district embraces all the territory between Third street and the canal and Central avenue and Broadway.

"The poles along Fourth street are the first to be removed.

"This will add considerable to the beauty of the city, aside from the fact that it removes a nasty obstacle in the way of firemen fighting fires."

AN OPEN LETTER

To the public:—

We wish to call the attention of those not already advised that we have established a wood working plant in La Grande equal to any in the country. We believed the times and conditions demanded such an enterprise and we have spent thousands of dollars in equipment and improvements.

We are not only prepared to fill your orders for mill work but we can furnish all kinds of lumber on short notice.

If you buy in quantity so we can furnish in car lots to be delivered direct we can give you prompt shipment and at prices as low as the lowest considering the quality of the stock and the promptness of delivery.

The price varies as to the amount you buy and the cost of handling.

Before placing your order outside submit your proposition to us and see if we can handle your business to please you.

We are a La Grande institution but we do not claim anything on that account only to have an equal show with our competitor.

After establishing an expensive local enterprise we want the business to keep our 20 odd men at work.

We are not begging for favors but local enterprises should be built up to employ our people at home instead sending all the money away for manufactured in other places.

The money sent away does not back to us and it builds up other munities at our expense.

Yours for business,
Stoddard Lumber Co.

DRIFTING TOWARDS BRIGHT'S DISEASE

Many people who are neglecting symptoms of kidney trouble, hoping "it will wear away," drifting towards Bright's Disease, which is kidney trouble in one of its worst forms.

FOLEY'S KIDNEY CURE

stops irregularities, strengthens the urinary organs and builds up the worn-out tissues of the kidneys so they will perform their functions properly. Healthy kidneys strain out the impurities from the blood as it passes through them. Diseased kidneys do not, and the poisonous waste matter is carried by the circulation to every part of the body, causing dizziness, backache, stomach trouble, sluggish liver, irregular heart action, etc.

If you have any signs of Kidney or Bladder Trouble commence taking FOLEY'S KIDNEY CURE at once, as it will cure a slight disorder in a few days and prevent a fatal malady. It is pleasant to take and benefits the whole system.

How to Find Out.

You can easily determine if your kidneys are out of order by setting aside for 24 hours a bottle of the urine passed upon arising. If upon examination it is cloudy or milky or has a brick-dust sediment or small particles float about in it, your kidneys are diseased, and FOLEY'S KIDNEY CURE should be taken at once.

G. B. Burhans Testifies After Four Years.

G. B. Burhans of Carlisle Center, N. Y., writes:

"About four years ago I wrote you stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the brick-dust sediment and pain and symptoms of kidney disease disappeared. I am glad to say that I have never had a return of any of those symptoms during the four years that have elapsed, and I am evidently cured to stay cured, and heartily recommend Foley's Kidney Cure to any one suffering from kidney or bladder trouble."

Two Sizes, 50 Cents and $1.00.
