Advance Resumed

St Petersburg Aug 27—After about four weeks of inactivity the Japanese have resumed their advance against General Kuropatkin. The opposing armies are in contact east and south of Liao Yang, and fighting has been progressing since Wednesday Since the rains ceased a week ago there has been continued intimation that General Kuropatkin was about to resume the offensive, but instead the Japanese attacked his position and a column 30 000 strong was reported on Wednesday marching up the right bank of the Liao He river, which would indicate that three Japanese armies are co-operating in enveloping the three sides of the Liao Yang position held by the Russians.

Liao Yang Aug. 27—A big battle commenced today 20 miles east of Liao Yang, the Japanese attacking and the Russian front from Taitse river south is now engaged.

CAPITALISTS AT BAKER CITY

Baker City, Aug 27—F. Walrode White and his party of eastern capitalists, F. W. Foster of Walla Walla, Mr. and Mrs. J. E. Kinney of Walla Walla and Senator Walter Pierce of Pendleton. Mr White and party took the train for Portland on the morning train for Portland on their return East.

Machine Burns

Portland, Aug 27—The combine harvester of the [illegible] Company burned this afternoon as the result of a hot bearing on the running gear. The horses of crew quickly released the horses and attempted to extinguish the flames. The machine and crew were saved, however, that the combine was totally destroyed in 10 minutes. A small amount of grain was damaged. The loss is nearly $15.00.

Regular Form.

Probably before another issue the Scout will be published in its usual form. It has never been the intention to keep the Scout at its present size larger than necessary. Losses sustained by the fire were not very heavy and it is only by a considerable effort that the paper can be issued on its usual footing.—Union Scout.

Serious Condition

A serious condition confronts cattlemen in Baker county. Cattle turned out on the range last spring are now early returning to winter pastures in the valley, having been driven from the range, as stockmen say, by herds of sheep which have completely monopolized the range.

One good man said yesterday that 500 cattle can be seen in the Lower running through the center of the valley.

Such a condition means that owners must turn their cattle into pasture that should be kept for winter feeding and more than that more hay than ever will be needed to meet the winter requirements.

On top of this serious phase of the proposition there is no market for cattle. They are simply going begging.

"There are 5000 head of fine beef cattle within a radius of 30 miles of Baker City fitted for market," said a cattleman yesterday, "but there are no purchasers. If a hard winter comes there will be a great loss"—Democrat.

AN OPEN LETTER

To the public—

We wish to call the attention of those not already advised that we have established a wood working plant in La Grande equal to any in the country. We believed the times and conditions demanded such an enterprise and we have spent thousands of dollars in equipment and improvements.

We are not only prepared to fill your orders for mill work but we can furnish all kinds of lumber on short notice.

If you buy in quantity so we can furnish in car lots to be delivered direct we can give you prompt shipment and at prices as low as the lowest considering the quality of the stock and the promptness of delivery.

The price varies as to the amount you buy and the cost of handling.

Before placing your order outside submit your proposition to us and see if we can handle your business to please you.

We are a La Grande institution but we do not claim anything on that account only to have an equal show with our competitor.

After establishing an extensive local enterprise we want the business to keep our 20 odd men at work.

We are not begging for favors but local enterprise should be built up to employ our people at home instead of sending all the money away for stuff manufactured in other places.

The money sent away does not come back to us and it builds up other communities at our expense.

Yours for business,
Stoddard Lumber Co

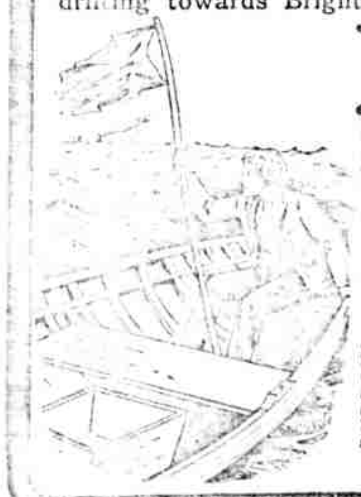
DRIFTING TOWARDS BRIGHT'S DISEASE

Many people who are neglecting symptoms of kidney trouble, hoping "it will wear away," are drifting towards Bright's Disease, which is kidney trouble in one of its worst forms.



FOLEY'S KIDNEY CURE

stops irregularities, strengthens the urinary organs and builds up the worn-out tissues of the kidneys so they will perform their functions properly. Healthy kidneys strain out the impurities from the blood as it passes through them. Diseased kidneys do not, and the poisonous waste matter is carried by the circulation to every part of the body, causing dizziness, backache, stomach trouble, sluggish liver, irregular heart action, etc.

If you have any signs of Kidney or Bladder Trouble commence taking FOLEY'S KIDNEY CURE at once, as it will cure a slight disorder in a few days and prevent a fatal malady. It is pleasant to take and benefits the whole system.

How to Find Out.

You can easily determine if your kidneys are out of order by setting aside for 24 hours a bottle of the urine passed upon arising. If upon examination it is cloudy or milky or has a brick-dust sediment or small particles float about in it, your kidneys are diseased, and FOLEY'S KIDNEY CURE should be taken at once.

G. B. Burhans Testifies After Four Years.

G. B. Burhans of Carlisle Center, N. Y., writes:

"About four years ago I wrote you stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the brick-dust sediment and pain and symptoms of kidney disease disappeared. I am glad to say that I have never had a return of any of those symptoms during the four years that have elapsed, and I am evidently cured to stay cured, and heartily recommend Foley's Kidney Cure to any one suffering from kidney or bladder trouble."

Two Sizes, 50 Cents and $1.00.
