POSTPONEMENT OF CONVENTION

Dr. Nathan C. Schaffer, president of the National Education Association, has confirmed earlier advices of the decision to postpone the San Francisco convention. Dr. Schaeffer says:

In view of the appalling disaster which has visited San Francisco, it is impossible for the National Educational Association to hold its meeting this year in that city. After fully considering all the letters and telegrams which have been received from all parts of the United States, and after carefully weighing what is due the people of San Francisco, the executive committee under the authority conferred upon it by the board of directors at its last meeting, the board of trustees concurring, decided to postpone the National Educational Association meeting for one year, to a place yet to be determined. They join in the hope that the association may go to San Francisco as soon as feasible.

TRI-ANGULAR TRACK AND FIELD MEET TO-MORROW

Over Thirty Athletes of this city and Island City are to Compete at the Ball Park for Honors In Feats of Strength and Skill

OFF FOR WALLA WALLA

The baseball team in charge of E. W. Davis leaves tonight for Walla Walla, where they will play two games with the Boosters. Betzel will occupy the box. Gregory and Manager Heisner will leave Saturday evening. If a party of ten can be picked up many other fans will go Saturday. The following members of the team will make the trip:

Siegrist, Klebs, Crawford, Betzel, Gregory, Collins, Childers, Kooser, Cotner and McCool.

The two track teams of the city went through their last practice stunts for this week and will rest up until the big meet Saturday. In the try-out last evening many good records were made and the outlook for an exciting meet tomorrow is of the best. The mainstay for Hockenberry's boys, is McKennon and even he has been weakened seriously because of an accident which he sustained last evening. While attempting to jump a hurdle he sprained his ankle in such a way that he may be seriously handicapped in the coming meet. For the high school, Bolton is doing excellent work. He runs with an easy stride and will give McKennon an awful chase in the hundred yards. In the broad jump he will make them all go some. Hendricks takes the hurdles well and is also showing up well in the quarter. Reynolds ran a splendid half mile last evening and should win that event. Bear stories and other stories come from Island City way, but the truth there is in them remains to be seen. The meet begins tomorrow at 2:00 sharp. A good attendance at this meet will insure the high school team participating in the Pendleton meet.

Manager Kilpatrick is in receipt of all the entries and the following are those who will compete:

100 yds. dash:—H. S., Bolton, Young. H. P. S., McKennon, Bacon, Kilpatrick. I. C., Walters, Roe, Volswinkler.

High jump:—H. S., Young, Heidenreich, Edwards, Scott. H. P. S., McKennon, Kilpat-rick. I. C., Wardell, Walters, Millring.

880 yds. run:—H. S., Reynolds, Young. H. P. S., Kilpatrick. I. C., Irwing, Millring, Roe.

220 yds. dash—H. S. Bolton, Reynolds, Williamson. H. P. S., McKennon, Bacon, Kilpatrick. I. C., Walters, Volswinkler.

Broad jump:—H. S., Bolton, Williamson, Scott, Heidenreich. H. P. S., Bacon Kilpatrick. I. C., Walters, Millring, Volswinkler.

Hammer throw:—H. S., Watson, Hendricks, Young. H. P. S., Kilpatrick, Bacon I. C., Volswinkler, Wardell, Davis.

120 yd. hurdle:—H. S., Hendricks. H. P. S., McKennon. I. C., Roe, Walters.

Pole vault:—H. S., Young, Scott, Williamson, Heidenrich. H. P. S., McKennon. I. C., Wardell, Walters, Millring.

440 yds. dash:—H. S., Reynolds, Edwards, Williamson. H. P. S., McKennon, Kilaptrick. I. C., Walters, Roe, Volswinkler.

Discus:—H. S., Watson, Hendricks, Stover, Bay. H. P. S., Bacon. I. C., Volswinkler, Wardell, Davis.

220 yds. hurdles:—H. S., Edwards, Reynolds, Hendricks. H. P. S., McKennon. I. C., Roe.

Shot put:—H. S., Stover, Young, Bay, Watson. H. P. S., Kilpatrick, Bacon. I. C., Huffman, Gekler, Volswinkler.

Relay race, one mile:—H. S., Reynolds, Young, Williamson, Bolton, or Scott. H. P. S., McKennon, Bacon, Kilpatrick, McKenon. I. C., Millring, Volswinkler, Roe, Walters or Stein.

The Observer will receive returns from Saturday's game and the score will be posted in the Drug Stores after six o'clock Saturday evening.

UNION COUNTY

Union County presents to the home seeker a greater number of diversified industries than any county in the state, out side of Multnomah county which is practically Portland.

We do not believe that there is another county in the Inland Empire that can show fourteen different industries whose total annual revenue produces an average of $193,000.00 cash.

The annual report of the State labor Commissioner, places Union County third in the state, in the employment of labor

It requires 194 solid trains of fourty cars each to carr the produce of our county to the market, more than a train every other day throughout the year.

"An admirable climate." The past winter only for a few hours did the mercury reach zero. No excessive heat in the summer and our cool refreshing nights cannot be appreciated by the residents of the east until the are permitted to enjoy them.

Our soil is rich and productive. Were we to mention ields they would not be believed. The only way to become acquainted with this "Garden of Eden" is to personl visit this land of diversity, as when you see the crops growing and harvested they speak for themselves.

Our forrests will require man many decades of the present activity before they begin to yield and we now have thirty or more saw mills which give employment the year round in the mills and logging camps

The only sugar beet factory in the state is located at La Grande, the County Seat of Union County with a population of 5,000, progressive wide awake people who extend the glad hand to all. This is the commercial, educational and social center of the county.

La Grande is known as the railroad town of the O. R. & N. Co. whose annual payroll at this place exceeds $300,000.00. From here the branch road is now pushing through the northern part of this county, on into the Wallowa County, starts a freight division, machine shops, round houses, and one of the largest railroad yards on the system, and train dispatchers office. The public schools of La Grande are second to none in cities of this size in this state. We now have three buildings and a fourth, an eight room brick building in course of construction, giving imployment to twenty-two teachers. The principal office of the Geande Ronde Electric Co. is located in this city. This Company furnishes power and light for the city of La Grande, Island City, Cove, Union, and the Hot Lake Sanitorium.
