The Reason Why

Only Nine flour Dealers handle La Grande Milling Co.'s flour. Is because there is only nine of them here in that Business. So you see if the goods was not all right, there would be nine of them that would not handle it. With Our three Expert Wheat Buyers stationed all along the Elgin Branch enables us to get the Pick of the Wheat. So tell your Grocer that you Prefer the kind that is made here, its all Guaranteed you take no chances.

APPLES STAND THE FROSTS

The frosts and snow storm have not particularly injured the unpicked apples, according to to H. Ferbrache, assistant manager of the Grande Ronde Fruit Growers' Union. Just prior to the frosts, heavy wind storms had blown a large per cent of the unpicked apples off the tree.

Saturday evening before the frosts, a heavy snow storm covered the apples with four inches of snow thus protecting them from the cold. If the snow will gradually thaw off, the manager thinks there will be no damage done the fruit However, should a sudden thaw come up followed by a hot sun it is likely that the fruit would be more or less damaged.

FOR SCIENTIFIC FARMING

(Scripps News Association)

Lansing, Mich. Nov. 20—In the Agricultural College here today there was an important meeting of members of the Normal Farmers Institute and others interested in scientific farming. The addresses were largely by members of the faculty of the college upon recent discoveries in the sciences that relate to agriculture and the progress in farming methods. Amongst those who spoke on the subjects were Chas. W. Garfield, president of the State Forrestry Commission; H. S. Earle, State Highway Commissioner; W. H. French, Deputy Supt. of Public Instruction; Colonel C. Lille, Deputy Dairy and Food Commissioner and several of the regular Institute Lecturers.

CONVICT SUED BY U. S. SENATOR

(Scripps News Association)

Philadelphia, Pa., Nov. 20.—George Mitchell, alias Alfred Henry, now a prisoner in Carson City penitentiary, undergoing sentence for mail robbery, has been made the defendant in a civil action, brought in the Montgomery county courts, to recover a lot in Glenside, which it is alleged, he purchased by forging a draft found among the contents of a stolen mail pouch. Geo. B. Nixon, United States senator of Nevada; John S. Cook and Geo. Wingfield, of Goldfield, Nev., are the plaintiffs in this unique suit which will proceed tomorrow or the day after, as the order fixing service on defendant was returned today. The plaintiffs state that on Nov. 29th, 1905, they mailed to Russell Joy, of this city, a draft on Cook and Company for $1244, which was stolen from the sack at Hazen Junction, Neb. This draft to which the names of Russell T. Joy and January Jones, the latter a Nevada banker, were forged, was paid by Cook & Company. Later it was learned that it had been given in payment for a lot in Glenside, and they now ask the courts that the property be conveyed to them.

ANTI-LOCAL OPTION

Liquor interests in the state of Washington allege that local option has been beaten in the next Legislature. This claim is based on reports that have been received since the election from all parts of the state and which appear to give a majority against the Anti-Saloon League that has been fighting for a local option bill, drawn on the lines of the Oregon law.

FACTS IN NATURE.

Not Only Do We Get Inspiration From Nature, But Health as Well.

For people who are run-down and nervous, who suffer from indigestion or dyspepsia, headache, sleeplessness, or torpid liver, coated tongue with bitter taste in the morning and poor appetite, it becomes necessary to turn to some tonic or strengthener which will assist Nature and help them to get on their feet and put the body into its proper condition. It is becoming more and more apparent that Nature's most valuable health-giving agents are to be found in forest plants and roots.

Nearly forty years ago Dr. R. V. Pierce, now consulting physician to the Invalids' Hotel and Surgical Institute, at Buffalo, N. Y., discovered that by scientifically extracting and combining the medicinal properties from various roots taken from our American forests he could produce a medicine which was marvellously efficient in curing many of blood, stomach and liver and women's troubles, as well as many other chronic, or lingering ailments. This science-proved extract of Nature's vitality-restorer was named "Golden Medical Discovery." It succeeds by putting the stomach and liver in healthy condition, thereby bringing good digestion and a healthy appetite, which feeds the blood. Therefore it gives a good stomach, big appetite, strong liver, or no biliousness, and sound nerves.

If you have coated tongue, with bitter or bad taste in the morning, frequent headaches, feel weak, easily tired, pimples or pain in side, back, loins, kidneys and urine, belching of gas, constipation, or even the bowels, feel nervous, irritable, or troubled with dizzy spells, sleepy after first symptoms, take one pellet of Dr. Pierce's Pellets, the original, genuine, nature's laxative, regulator of the liver, stomach and bowels. All the best, safest, most gentle, most effective laxative, which the "Golden Medical Discovery" will perfect more speedily and permanently than any other medicine. Can be had of druggists, in tablets, or by mail, for 25 cents. Can be had of druggists, in tablets, or by mail, for 25 cents.

Constipation causes and aggravates many serious diseases. It is the foundation of many sickly, miserable, half-dead men and women. It is the cause of dyspepsia, biliousness, indigestion, nervous prostration, nervous headache, nervous irritability, nervous exhaustion, nervous debility, and many other nervous affections. Dr. Pierce's Pellets cure it. Dr. Pierce's Pellets are the smallest, easiest to take, and most effective pills. Sugar-coated, little, easy as sugar candy. One a dose. 25 cents a vial, druggists.
