Both teams have been in strenuous training for the past three weeks and the outcome is in doubt. It is likely to be a speedy game and full of excitement. Cove is coming with the determination to win, but to offset the strange place in which they play will have to be much superior to the local team to win. It promises to be an exciting game from start to finish.

La Grande's team will be made up principally of new men, it is said, players who are coming stars.

# THE NOSE A FILTER TO STRAIN THE AIR

**Catarrh Clogged Nostrils a Breeding Place for Deadly Germs.**

The nostrils are perfect "air filters" and, when kept in clean, healthy state, strain every bit of air we breathe, catching all dust particles, foreign matter and germs. The air is full of germs. You cannot dodge them, but you can safe-guard yourself against catarrh and other diseases contracted in the process of breathing by keeping the nostrils clean and healthy. Catarrh germs will sometimes get in their work, and you may mistake the symptoms for an ordinary cold.

Don't take any chances. If you have a stuffed up feeling in the head, or if your throat is sore or filled with phlegm, just grease the nostrils with Ely's Cream Balm, draw the pure, aromatic fumes back in the head, and you will be astonished at the effect. In a few minutes you will feel a loosening up in the head, the nasty discharge will soon be stopped, the soreness gone, and you will feel a sense of genuine relief.

Ely's Cream Balm not only wards off catarrh, but will quickly cure even a chronic, long standing case of catarrh. It takes the trouble right where it starts, in the nose and throat and cleanses, heals and strengthens the raw, sore inside skin, or membrane, and in this way drives out catarrh and makes you proof against this filthy, disgusting disease.

Colds, which often hang on for weeks, can be quickly cured with this cleansing, healing, antiseptic balm. All druggists sell it for fifty cents a bottle, and the one bottle is generally all that is needed to effect a complete cure. Try it today.
