ANY FOOL

Knows enough to carry an umbrella when it rains, but the wise one is he who carries one when it is only cloudy.

Any man will send for a doctor when he gets bed-fast, but the wiser one is he who adopts proper precautionary, preventive and curative measures when first appear the ills which, if unchecked and uncured, grow into serious illness.

Impaired digestion and nutrition are generally the forerunners of a nervous or functional break-down.

Nature has provided remedies most abundantly for all such conditions in our native medicinal plants. With the use of chemically pure glycerine, of proper strength and at a proper sustained temperature, Dr. Pierce extracts from Golden Seal root, Queen's root, Stone root, Black Cherrybark, Bloodroot and Mandrake root, medicinal principles which, when combined in just the right proportions, constitute his widely famed "*Golden Medical Discovery.*" It restores the tone of the stomach, the activity of the liver and the steadiness of the nerves, pouring vitality into the blood till the once sick and debilitated one is so renewed in health, strength and power that he can resume his work, whatever it is, with vigor and elasticity.

All medical authorities, of whatever school, agree that Hydrastis, or Golden Seal—one of the essential roots in the make-up of Dr. Pierce's Golden Medical Discovery—is of very great value as a pure tonic, and as an alterative—valuable in chronic affections of the stomach, intestines and bladder.

Pierce's Pleasant Pellets Not only the **Original** but the **best Little Liver Pills**, first put up **over 40 years ago**, by old Dr. R. V. Pierce, have been **much imitated but never equaled**, as thousands attest. They're purely vegetable, being made up of concentrated and refined medicinal principles, extracted from the roots of American plants. Do not gripe. One or two for stomach corrective, three or four for cathartic.
