GIRLS LITTLE NOW LIVELY

Once Weak and Pale Tanlac Made Them Look Like Diseased Children

"It makes me feel good to see how bright and healthy my two little girls are since we started them to taking Tanlac," said H. P. Cornett, of 518 Gandy street, Denison, Texas.

"They were both weak and puny children," he continued, "had no appetite and suffered from indigestion and were awfully pale and thin and shallow looking. They complained of having headaches and pains in their backs, they were restless at night, had no energy during the day and wouldn't play around like other children. Medicines we gave them did not do them any good and my wife and I were greatly worried about their condition.

"Since starting them on Tanlac the two little girls are not like the same children. Both have gained in weight and are as lively as crickets; they eat hearty meals, sleep well at night and are as playful and happy as any other healthy children of their ages. Tanlac has surely done wonders for them and I am only too glad to indorse such a splendid medicine."

Tanlac is sold in La Grande by Silverthorn and Richardson Drug stores; in Union by L. A. Wright; in North Powder by L. A. Russell and in Elgin by Scott E. Harris and in Telocaset by Telocaset Grocery Co.—Adv.

Can You Do It?

This sentence, President Lowell of Harvard university is said to have given to Doctor Lowell, his surgeon as head of the university, stipulating that the words all be spelled correctly: "It is preposterous to view the unparalleled embarrassment of a bare-kessed andther or pedder sitting on a cemetery wall, gauging the symmetry of a shilling peeled potato."

"La Camille" is superior to any other front lace corset, for without the *Ventilo* features no corset can possibly be just as good. It contains the master touch of scientific construction.

You do not sacrifice comfort for style and you do not sacrifice style for comfort when you wear

Not to Be Thought Of.

Jamie was asking his mother a lot of silly questions, so she said, "Why are you so foolish?" His mother said, "Why do you ask such silly questions when I am trying to read?" "We-el," responded Jamie, "do you want your little boy to grow up without a vocabulary in his mind?"
