MABEL NORMAND STARS IN "PECK'S BAD GIRL."

"Peck's Bad Girl," Mabel Normand's newest Goldwyn picture, gives the vivacious artiste a role certain to delight her tremendous local following when the spirited comedy-drama is presented at the Sherry theatre, tomorrow and Friday.

A sweetheart and a job bring a marked change in the life of Mabel Pebelope Peck placed by Mabel Normand. Before the arrival of Richard Hayes in Yaphank the evil brows have been crossed to desperate depth by the daily pranks of Mabel. But when Richard begins to "shine up" to her Mabel decides she wants to be more like other girls. So she gets a job as assistant to a milliner in the village.

Before long Mabel makes a discovery that the cellar under the store is being used for some strange purposes. Mischievous, she goes into the cellar and finds it cannot be seen drifted through two of the buildings adjoining the back. Returned to the store and finds a candlestick, "Hollywood" Marlborough, on for a fairly desirable Having in mind the gentleman's recent talks with Mabel, Mabel puts an explanation for the sudden decision to leave a high scenes in which Hollywood, Mabel and to make return into the Green Peck Mabel finds and shoot burglars into the vault back of the bank. Mabel runs into Hayes. His presence be a crime, but is soon convinced that Richard is a detective and not a jewelry salesman as she supposed. Mabel tells him of the underground tunnel and some made to capture the robbers. They materialize more quickly than Mabel and her sweetheart expect. Mabel helps to overpower the crooks and the once village scamp is now the hero of Yaphank.

PLAY OF THE FAR NORTH PLEASES LARGE AUDIENCE

"The Way of the Strong," a gripping drama of the great Northwest was the feature at the Sherry theatre yesterday with Anita Q. Nilsson as the star.

The scenes are laid in the Yukon where, in the first part of the play, Miss Nilsson is seen as Audrey, an unfaithful wife of a young prospector for while lost on the plain Monica Norton, half sister to Audrey, who in the end, bears the enforcing name of her weaker sister. It is a play which touches the deep under currents of human emotions, with as a web of conditions which thrill and stirs. In it Miss Nilsson is seen at her best—enacting the two roles with consummate artistry that shows to the full her versatile powers. The supporting cast are Joe King, Harry B. Northrup, Irene Yeager, Arthur Redden and Rita Hartan. The play was directed by Edwin Carewe and was adapted from the novel of the same name by Ridgewell Cullum.

Shown today for the last time.

YOUNG DUTCH PIANIST HEADS VAUDEVILLE AT ARCADE

With one big feature act, and three other acts of the usual Majestic "excellence" the Arcade theatre will present its vaudeville show tonight.

Leading the bill is Carl Rosa, the brilliant young Dutch pianist of Amsterdam, Holland, assisted by Miss Alice Conway, an accomplished harpist. They were a feature musical attraction at the Panama-Pacific exposition and have received some most flattering press notices.

There are three other acts on the bill, another with a two reel Fox comedy. Adv. 6-11-tf.

LA GRANDE MAN'S EXPERIENCE

Can you doubt the evidence of this La Grande citizen?

You can verify La Grande endorsement. Read this:

E. S. Russel, 2261 N. Birch St., says: "For several months I felt as though my back were broken and I couldn't straighten, my back was so weak and sore. My kidneys were in a bad condition and the action was very irregular. The first few doses of Doan's Kidney Pills I took in wrecking order and relieved that awful misery in my back and made me feel like a different person. Since then, when I have had any sign of kidney disorders, I have taken Doan's Kidney pills for a few days and they have never failed to overcome the trouble."

MONTANA HAS FOUR THRESHING SCHOOLS

BOZEMAN, Mont., June 11.—Four threshing schools, under the auspices of the extension service of the Montana State college, will be held throughout the state in the near future. Professor H. E. Murdock, head of the agricultural engineering department of the college, will co-operate in the work of instructing those who take the courses, which will be of three days' duration.

Lectures will be given showing the evolution of threshing grain and demonstrating every operation in threshing. The lectures will be illustrated. Also there will be practical demonstrations in threshing on the latest type of threshers. Machines of different makes will be on hand for use.

The dates and places for the schools will be: Bozeman, June 19, 20, 21; Billings, June 26, July 1-2; Great Falls, July 7-8-9; Plentywood, July 10, 11, 12; Glasgow, July 14, 15, 16.

Infernal Substitute.

Here is a famous Chinese humorous story. A traveler stopped at a house and asked for a cup of tea. Having been on long the host sent his son out to procure some. Meanwhile the hostess put a pot of water on the fire to boil. The son did not return, and it became necessary to add some more water to the pot. This was done several times. The son still remained absent, and finally the wife said to her husband: "Inasmuch as the tea does not seem to be forthcoming, perhaps you had better offer your guest a bath."

Here's Help

MANY backache sufferers from backache and rheumatic pains owe their condition to the fact that they neglected the first warnings of kidney trouble.

Prompt action at the first sign of disordered kidneys will prevent much suffering. Keep the blood stream pure by keeping the kidneys healthy and the poisonous waste matter that causes pain and misery will be eliminated from the system.

Foley Kidney Pills

have been prescribed to thousands of suffering men and women who were afflicted with backache, rheumatic pains, weak and painful kidneys, urinary troubles, nervousness, nervous headaches, dizziness, sleeplessness, puffiness under eyes, kidney cramps, bladder troubles, irritated or scanty urine, or other symptoms of kidney trouble.

Mrs. C. C. Snell, Clayton, N. M., writes: "January 1, I was taken down with a severe attack of kidney trouble. I had pains in my back and was so lame I could hardly get around. Then I got to thinking about Foley Kidney Pills. We saw an advertisement in the Clayton News for Foley Kidney Pills and we sent to Foley & Co. for a supply. I have not had any trouble since I have taken them and I believe they have saved my life."
