Crook County Swine Buyers!

Last year Mr. Lawson imported into the county choice hogs of a number of breeds, the best that could be bought in the United States. The progeny of these importations is now ready for service. The gilts and boars range from ten months to a year old. In buying these hogs it was Mr. Lawson's desire to give the small ranch owner a chance to weed out his scrubs and get pure bred stock.

The gilts and boars will be sold at one price, $20.00, two gilts and one boar, unrelated, $50.00. They will be alloted under the "first come, first served" rule. Kindly bear in mind that these hogs are from the finest sows of the breed, mated with the best boars that the country has produced

Tamworth, Hampshire, Durocs, Yorkshire and Poland China

Prices: Gilt or boar $20.00.
Two gilts and one boar $50.00
