YOU would not buy an old sewing machine that dropped stitches—the old piano drops notes—do not blame wife or daughter for indifferent performance, blame the indifferent piano, which alienates entire families from music since enjoyment is impossible. Do not buy old models for exactly the same reason that others exchange them for new improved 1916 pianos at the Schwan Piano Co. "Make Room Sale," 111 4th st. at Washington; $5 cash, $1.25 weekly buys 50% more tone and efficiency in 1916 model $350 pianos at $265, the same price without interest as the prices of old models with the 8% added in interest elsewhere.
