C. O. WILL NOT CEASE RUNNING

If Strike Comes Railroad From Union to Cove May be Only One in Country Running Full Blast

UNION, Oct. 22—(Special)—We understand that the Central Railroad of Oregon is not going to shut down for the coming railroad strike.

Union people can't see what they intend to run for unless to establish communication between Chadwicks residence and town.

The enrollment is still increasing in high school. It seems a surety that Professor Conklin's "150 or bust" will be exceeded by several pupils.

Lillian Dahlstrom, of North Powder, is attending Union High at present.

Two new boys from Cove have enrolled also. Their names are Puckett and Conley.

Rev. Robt. C. Lee of Haines, Ore., registered at the hotel this week. His purpose in visiting Union was to attend the Knights of Pythias meeting.

W. C. Calder, R. J. Powers and C. C. Jackson motored through Union stopping at the hotel. They are returning to Baker from a trip through Central Oregon.

Horace Addis, fieldman of the Oregon Farmer, is in town at present in the interests of his paper. During his stay he visited the high school, accompanied by Rev. B. S. Hughes, and gave a talk to th estudents.

After the lecture given by C. W. Waggoner at the Cozy theatre about fifty or sixty members of the Loyal Order of Moose, La Grande Lodge No 859 met in Union hotel on a membership campaign. A very interesting entertainment was given, Miss Agnes Paddock giving several very delightful readings, many of the members of the Mooseheart speaking on Mooseheart and the national home for children of deceased Moose and the final speech of the evening was delivered by R. J. Kitchen, former resident and practicing attorney of Union. Then with the ending of the speeches, the members left the hotel and went on a canvassing campaign for members. Several of Union's prominent men signed up applications. Then, as such an occasion always requires a fitting finale, the Mooseheartes dined in the Union hotel dining room.

Saturday the same group of boosters will make a trip to North Powder.

Saturday, Union's football team leaves for Joseph by cars. The game will come off in the afternoon and is expected to be a hotly contested affair. The writer's opinion is that Union will win by at least two touchdowns, but, as in love and war, you never can tell in football.

The following men will go, besides Coach Billings: Center, Chadwick; right guard, McClellan; left guard, Gilmore; right tackle, Kuhn; left tackle, Kielblock; right end, Blacker; left end, V. Johnson; halfbacks, C. Johnson, Dillon, Cock and Callihan. Subs will be Maxwell, Kent and Caldwell.

The Union Concert band will soon be reorganized for the winter. It is somewhat handicapped in the cornet and clarinet section but nevertheless intends to make a band that will compare with last year's aggregation.

Beanie Haynes has been making several exploring trips to Buffalo and Indian places and has discovered thirty-four arrowheads, some of which are practically perfect since the middle of September.

L. Z. Terrall, attorney had his tonsils removed this week.

Eugene Bates is the first one of the younger set to bag a deer this year. Incidentally it is his first deer and he is considerably elated.

A party was given in honor of M. A. Tripp's eighty-third birthday at the Adventist school Tuesday of this week.

Marshall Slater picked up a Jim Monday with a considerable amount of moonshine in and on him. The Oriental offered Slater $10 to release him but as the marshal already owns a Ford he disdained the offer and put the offender in jail.

The postmaster compaign is still in doubt. The civil service commission asked for indorsements for both candidates and these have been filled and sent in so at present Union is waiting for the governmental wheels to commence moving.

Bad Stretches Made Passable by Farmers; Telocaset Ranch Has been Sold.

GRANGE HALL, Oct. 22.—(Special.)—Wednesday a number of men who belong to the Grange, met and worked on the road in front of Grange Hall, and also the cross roads at the "Old Nick Bowley" place. These places become very bad when wet weather sets in and the grangers decided this would be a good time to get these holes filled in and leveled before it is too late in the season.

Kenneth Gekeler returned last Friday from Portland where he spent a week.

Mr. and Mrs. A. E. Hug made a business trip to Elgin last Friday. While there they closed the deal wherein E. Blasard of Elgin became the owner of Mr. Hug's ranch at Telocaset. As October 14 was Mr. and Mrs. Bert Grout's fifth wedding anniversary, a number of their intimate friends called in the evening to help them celebrate the occasion. After an evening of pleasantry the guests departed wishing Mr. and Mrs. Grout many more years of happiness.

Last Saturday a fair-sized crowd of Grangers met at Grange Hall to hold their regular all-day meeting. After the business was taken care of Mrs. Orland Anson put on a short literary program. A contest which consisted of the reading of a number of tongue twisters caused a great deal of merriment. Mrs. G. V. Wilkerson, Mrs. Wm. Jasper and Mrs. E. E. Grout acted as judges and they declared Mrs. Wm. Sherwood could twist her tongue the best.

On Saturday, October 29, a Pomona Grange meeting will be held at the Hall and the members are hoping to see a large attendance from the other granges.

Mr. and Mrs. Art McCall, Mr. and Mrs. I. D. Smutz and Ernest DeLong attended the auction sale that was held near Cove Tuesday.
