CHANGES MADE IN LINE-UP

Two Basketball Teams are Scheduled on High School Calendar This Week-end

Coach Ladell announces that the basketball team of La Grande high is ready to tackle the strong team from Pendleton that will play two games here Friday and Saturday nights.

A somewhat different lineup will be found in this week's contests. Coker has been shifted to forward with Captain Lynch as partner. Metcalf still retains the pivot position and Bean will play his usual guard position. The other guard will be either Garrity or Berger, both men being of about equal merit. Probably both will be tried out. Hough, formerly forward, will be in uniform as sub forward. Alstott will be ready to relieve Metcalf should anything happen.

This combination has been working together all week and teamwork is running like a top. Although Coach Ladell expects the hardest game of the season as is hopeful of emerging victorious and promises that his team will play their usual peppy brand of basketball.

A record crowd is expected both Friday and Saturday night. The contests will begin at 8 o'clock at the high school gymnasium.

GIRLS TO PLAY BASKETBALL

First Game of Local High School Team Will be With Union High Girls.

The girls' high school basketball team is ready to open the season. Their first game will be played at Union, Saturday night.

The team this year is under the direction of Genevieve Jones and is composed of enough old material to guarantee a fast team. Captain Winona Lyman has several years' experience on the high school team and several others have played before. They have been practicing for several weeks and are in mid-season form at this time.

Union's team is expected to be strong but Miss Jones' team expects to come home with the long end of the score.

Miss Lois Lyman, who was expected to start with the team Saturday, is ill and will not be able to don a uniform until the game with Pendleton, which is billed for February 11.

The following girls will make the trip to Union: Captain Winona Lyman, Marjorie O'Brien, Audrey Hare, Norma Sawyer, Marie Newman, Lula Mulkey, Thelma Choate and Margaret Palmer. The lineup has not been selected as yet.

WORD CONSIDERING.

The question is not so much how you contract a cold, but how to get rid of it with the least loss of time and inconvenience. If you will consider the experience of others under similar circumstances, who have been most successful in breaking their colds, in their beginning, you will secure a bottle of Chamberlain's Cough Remedy without delay, and use it faithfully. There are many families who have used this preparation successfully for years and hold it in high esteem. It is excellent.—adv.
