AUTOMOBILES AND ACCESSORIES 44

AT THE COVEY MOTOR CAR COMPANY PLANT

The advent of the new year finds us better equipped and much more firmly established in the used car business than ever. Our efforts to enlarge our business, increase our turnover and add to our good will have been rewarded generously. Our experience has been broadened and our judgment increased in proportion to our responsibilities.

We have learned that to stimulate new car sales to the maximum we must turn over our used car trade-ins with the least possible sales resistance. Therefore, the cars we offer must call forth absolutely no criticism, they must appeal to the public at once, they must perform perfectly and look as nearly new as possible.

To accomplish such a result, we must use good judgment in the selection of the cars we trade and then conscientiously rebuild and refinish them. This is an expensive policy and often nets no direct profit; it does, however, accomplish our aim to sell new cars. We give you the most value possible for your money. We increase our new car sales. Mutual satisfaction should be the result.

DODGE BROTHERS MOTOR CARS

We have a complete line of rebuilt and refinished 1916-17-18-19-20 cars in touring, roadster and sedan models. Prices at this time are unusually attractive.

CADILLACS

The majestic dignity of the Cadillac displays its thoroughbred qualities far better than mere words can express. Wise, indeed, is the man whose judgment leads him to purchase one of these rebuilt and refinished Cadillacs, instead of investing the same amount of money in a new car of less stability.
