POLLMAN ASKED TO BE PRESENT

BAKER, Nov. 1.—William Pollman has received notice from Eugene Meyer, jr., director of the War Finance corporation, that he had been selected as a member of a committee of eight leading bankers and stockmen, for a conference to be held in Washington, D. C., November 20, for the purpose of considering legislation for establishing a permanent credit system for the live stock interests of the county.

Mr. Pollman will accept the appointment and will leave Baker November 15 to attend the conference. Mr. Pollman was a member of the committee that met in Washington last January when a plan was worked out for federal aid for the stockmen through the War Finance corporation. This plan proved of great assistance in many localities, but fortunately through the aid of local banks, local stockmen were able to get through the year without calling for federal aid.

It is too early to form an idea of the turn the conference will take.

The work of the War Finance corporation was a temporary measure and the business of the corporation will be closed in a short time.

A REMARKABLE RECORD.

Chamberlain's Cough Remedy has a remarkable record. It has been in use for colds, croup and whooping cough for almost half a century and has constantly grown in favor and popularity as its great qualities became better known. It is the standard and main reliance for these diseases in thousands of homes. The facts that it can always be depended upon and is safe and pleasant to take are greatly in its favor when a medicine is wanted for children.

For Joint Senator

Umatilla, Union and Morrow Counties

Henry J. Taylor

The name of Henry J. Taylor, pioneer farmer of Umatilla County, will be on the Democratic Ticket as the farmer candidate for Joint Senator. Mr. Taylor is a consistent advocate of

Tax Reduction

and says it can be accomplished if we have legislators who will honestly try to do so. He favors the strictest economy in the expenditure of the people's money and liberal support of the Public Schools. He is opposed to the

School Monopoly Bill

for the reason that its adoption will mean the outlay and expenditure of about $2,000,000 for additional school buildings and equipment, and an annual expense for interest and maintenance of about $2,000,000 more, in addition to the already intolerable load of taxes now upon us and for the reason that it would destroy parental authority and deprive the citizens of the constitutional guarantee of religious freedom and of the right to give their children a religious education in addition to the education afforded in the public schools. A vote for Henry J. Taylor is a vote in the interest of every fireside in the Senatorial District and in the State of Oregon.
