Shelby To Be Tourist Mecca

Regular Caravan of Tourists Expected to Attend Dempsey-Gibbons Championship Fight.

GREAT FALLS, Mont., June 4.—Expecting a regular caravan of tourist through here early in July on their way to the Dempsey-Gibbons fight at Shelby, Mont., only July 4th. This city is making preparations to take care of the visitors.

Besides the regular tourist park another space that will handle a thousand cars has been laid out.

The park can hold 500. It is situated on the Custer Battlefield highway near the center of the town and on the Missouri River.

Parks are few in this section of the country, but Great Falls supports an excellent one. Somebody said that every blade of grass in Great Falls cost the taxpayers a dollar, but it's worth it.

The tourist park boasts of water taps, oil stoves and shower baths.

Great Falls also has three first class hotels that compare with any in the country. They are up to date in every particular, and the cusine and service cannot be improved upon.

Great Falls wants Shelby to go over big on this affair. It is ninety miles away from the fight city, but that isn't considered much distance out in this country, and Great Falls treats its smaller city as a suburb.

For those who wish to remain here until the day of the scrap, will be found every convenience. There are high class picture houses, and many of the big theatrical road companies break their long trip to the coast by playing a night or two in Great Falls.

HOME RUN RECORD.

CHICAGO, June 4.—Joe Hauser, the Philadelphia American's slugging first baseman, whose hitting is a big factor in the mad rush of the Athletics toward the top of the league pennant chase result, made a strong bid last week for the home run honors of his circuit when he smashed out four circuit drives.

Hauser ran his string of homers up to eight, only one behind Ken Williams, who failed to stretch his string and three less than Babe Ruth, whose is leading the league with 11.

Cy William, veteran of the Phillies, cracked out his nineteenth four bagger last week in the National league and is leading all the home run sluggers.

Leaders with five or more home runs to their credit follow:

National—Williams, Philadelphia, 19; Hartnett, Chicago, 5; Mokan, Philadelphia, 5; Traynor, Pittsburg, 5; Kelleher, Chicago, 5; Miller, Chicago, 5; Wheat, Brooklyn, 5.

American—Ruth, New York, 11; Williams, St. Louis, 9; Hauser, Philadelphia, 8.

MANY PASSED STATE EXAMS

There were 145 successful applicants in the entire country, outside of the city of La Grande, who received 8th grade Diplomas and it is expected that the June Exams will add many more to this list, as a number of the young people failed only in one or two branches which they can easily make up in June.

District No. 23, in Elgin, had the distinction of having 19 pupils write for the 8th grade Exam, and 19 received Diplomas.

The Grange Hall School, under the care of Mrs. Dora Caton, had the same experience with its class of four, who wrote and who also graduated.

District No. 9, under the care of Mrs. Ida Roberts, also had a record of four pupils receiving Diplomas in a class of four who wrote.

There were six other districts in which the class numbered from one to three who also made a 100 per cent. record.

CRIQUI TO MEET DUNDEE

NEW YORK, June 4. — Eugene Criqui, the new featherweight champion of the world, will defend his title in a decision match wth Johnny Dundee of New York within 60 days, at the Polo Grounds, Matchmaker Tom O'Rourke of the Polo Grounds A. C. announced Saturday.

Before Saturday's fight, Criqui and Kilbane had posted forfeits of $10,000 each, binding the winner to give Dundee his long-sought chance to win the featherweight title.

PICTURE A FORT ON U. S. STAMP

SACRAMENTO, Calif., June 2—San Franssco has been honored by the Federal government with the placing of a picture of the Golden Gate, on a recent issue of 20-cent stamps, and now Sacramento has initiated a plan to have a picture of Sutter's Fort, in the heart of this city, on the next issue of stamps. A. S. Dudley, secretary of the local chamber of commerce, has asked Charles F. Curry, representative in Congress from this district, to take the matter before the postoffice department.

The fort, built by General John A. Sutter, Swiss adventurer, in 1839, played a prominent part in the early history of California and now, as a state museum, is a mecca for sightseers in northern California.

Many suicides in California, says a headline. Doubtless visitors who broke under the strain of continuous climate boosting.

HEAD STUFFED FROM CATARRH OR A COLD

Says Cream Applied in Nostrils Opens Air Passages Right Up.

Instant relief—no waiting. Your clogged nostrils open right up; the air passages of your head clear and you can breathe freely. No more hawking, snuffling, blowing, headache, dryness. No struggling for breath at night; your cold or catarrh disappears.

Get a small bottle of Ely's Cream Balm from your druggist now. Apply a little of this fragrant, antiseptic, healing cream in your nostrils. It penetrates through every air passage of the head, soothes the inflamed or swollen mucous membrane and relief comes instantly.

It's just fine. Don't stay stuffed-up with a cold or nasty catarrh.

ROSEBUD FETE HELD JUNE 12

Portland Rose Festival Will Be One of Most Prominent Northwest Frolics.

PORTLAND, June 3. — Portland's annual official frolic, the Rose Festival, opens here June 12, when the city will give itself up to three days of parades, special events, beauty and excitement.

The arrival of the queen, a Portland high school girl to be selected by vote, will mark the opening of the festivities. The opening of the annual rose show, the presentation of "As You Like It," in one of the city's parks, and other features are on the first day's program.

A rosebud parade, participated in by 6,000 school children, a speed boat regatta on the Willamette river, and a Boy Scouts' field day at Multnomah Field are outstanding events for Wednesday, with night events including an illuminated marine parade and a pageant of all nations.

The annual floral parade will be the big climax of the festival arranged for Thursday, June 14. Visiting warships, daylight and night fireworks, musical programs and other amusements are being provided for the crowds during the three days.

Baker Colts Slip One Over on Union Team; Final Score 11 to 8

BAKER, June 4.—The Baker nine won today from the Union Federals by the score of 11 to 8. Sutherland and Cassidy were the batteries for the local team, while Haines, Jereb and Bloom batteried for Union.

"Bud" Sutherland, brother of "Syds" Sutherland of Portland, pitched his first game for Baker and held the visiting team down, except for the ninth inning, when they gathered five of their runs.

Baker made eight runs in the fifth inning after two men were out.

TILDEN AND WEINER WIN

PHILADELPHIA, June 4.—William T. Tilden and Sandy Weiner, successfully defended their doubles tennis championshop of eastern Pennsylvania Sunday, winning the final round of the tournament from Herman Dornheim and Watson KnKight, 2-6, 6-3, 6-3, 7-5. The first two sets were played Saturday.

PIRATES LOSE TO COVE, 3-2

(Continued from page 1)

Gee had allowed Cove six hits and three runs, White went in in the fifth with a man on third and struck out three Cove heavy hitters—Rube Davis, Red and Ray Alexander. White sent five men back to the bench during his time in the box and allowed but one single. Fulp, pitching for Cove, allowed La Grande but four hits although the only reason that the Pirates didn't knock him out of the box was that the Cove outfield and infield gathered in nearly everything that came their way. Fulp fanned but five men. Brazille, Cove left fielder, swiped two hard catches that would have been doubles at least and Roy Alexander, in center, gleaned two snappy catches.

Base Umpiring Poor.

Childers, Cove's base umpire, was the only really bad spot in the contest. Two absolutely terrible decisions lost the game to Cove although Childers reversed one of his decisions after the baseball book of etiquette was read to him. The general opinion of the La Grande fans was that if Childers is an umpire, Napoleon was a dishwasher. Pidcock, umpiring from the box, did his stuff to the satisfaction of all present.

Next Sunday La Grande goes to Cove and Baker plays at Union.
