CHICAGO GRAIN

CHICAGO, Aug. 22—(AP)—Evidence of corn market power to rally from price setbacks did a good deal to put backbone into grain values late today, despite earlier downturns.

A reason for renewal of strength in corn values was likelihood that liberal clearances of corn out of Chicago by lake vessels would be announced tomorrow. There were als late estimates that the yield of wheat in the Canadian prairie provinces would be only about 338,000,000 bu., whereas a provision estimate today was 350,000,000 bu.

Closing quotations on corn were nervous, 1-8c off to 3-8c up compared with yesterday's finish, wheat closed irregular at 5-8c net decline to ¼c advance with oats 1 to 1⅛c advance.
