TO OREGON CITY VOTERS.

The Ordinance now pending before the Council of Oregon City granting a franchise to The Oregon Water Power and Railway Company has been assailed by opponents of the measure as an iniquitous act and calculated to work harm to the city, and to the owners of property on Main street. A careful reading of the franchise proposed will convince you as it has the majority of the property owners on Main street, that the franchise will be of great and lasting benefit to the community. Every voter of Oregon City should express his opinion at the ballot box on Saturday, September 30th.

The proposed ordinance in the first place repeals all existing franchises and rights now held by the R. R. company, which of course the city has no power to do except by agreement with the holder of the existing franchise. The company now has the right to lay double tracks on Main street, but by the proposed ordinance this right is surrendered and the company is compelled to lay a single track in the middle of the street. The new track must be of grooved rails laid in concrete and the street between the rails and for one foot on each side must be paved with stone blocks, the most modern and expensive of street pavements. As fast as Main street is improved South of Second street and North of Eleventh street, the same construction of track, roadbed and pavement is required. The company must at all times maintain the portion of the street it is required to pave, and must also maintain the bridges at South end of street and the railings along Basin.

It should be remembered that the company now holds a franchise on Main street for passenger cars that has nearly 38 years to run at an annual license fee of only $100 per year. This 38-year franchise surrendered upon taking effect of the proposed ordinance.

The company now has the right to run two trains per day of three freight cars each between the hours of 7 a. m. and 7 p. m. with unlimited freight car privileges between 9 p. m. and 7 a. m. This franchise now has seven years to run at an annual license fee of $400 for the next two years, and an annual license fee of $300 for the remaining five years of the term. The proposed franchise grants the company the right to operate two freight trains of not more than four cars and a motor car in the forenoon and the same number in the afternoon. The privileges for night traffic remain the same as at present. Cars cannot stand on street at any time except during actual switching operations.

It is a well known fact that the O. W. P. & Ry. Co. has done a great deal toward developing the Northeastern portion of Clackamas County and it is the intention of the company to do as much for the Southern end of the county provided a franchise can be obtained from Oregon City that will enable it to handle the business, and a franchise such as that proposed is essential to the development by railroad assistance, of the Southern portion of Clackamas county.

In return for the grant to the company, it is required, not only to improve and maintain the portions of the streets occupied by it so as not to obstruct travel, but also to pay to the city, as license fees, $50.00 in annual installments commencing with $800 per year (an increase over present license of $100), and increasing $500 per year at the end of each five year period.

The proposed ordinance has been prepared and submitted to the Council by unanimous request of a committee consisting of Mayor E. A. Sommer, City Attorney Franklin T. Griffith and Councilmen R. Koerner, Wm. Sheahan and H. E. Straight.

Naturally the most vitally interested in the granting or rejection of the proposed franchise are the owners of real property on Main street. The Main street property owners opposing the franchise are few compared with those favoring its passage as is evidenced by the following communication to be submitted to the Council of Oregon City

THE OREGON WATER POWER & RAILWAY COMPANY

No woman can look beautiful without good health. A woman's good health depends on those organic peculiarities, functions, and which no other become disordered, causing misery and staggering pain. Nature's laws are perfect, health endures if you obey them, but disease follows disobedience. The distressing complaints of women are often brought about by catching cold at a critical period, breathing foul indoors air and long hours of work and nervous worry, the strength to Nature for the cure—at the blood. Dr. Pierce's Favorite Prescription is Nature's cure for the distressing complaints of women. Prof. King, M. D., in his American Dispensatory, says of Black Cohosh or Black Snakeroot, "our early American Indians set a high value on this root in diseases of women. It is surpassed by no other drug in composite conditions of the parts where there are dragging pains and weakness."

Lady's Slipper root is a "nerve stimulant and tonic, improving both circulation and nutrition of the nerve centers—favoring sleep and cheerful condition of the mind; of service in mental depression, nervous headache, irregularities of women with despondency."—Prof. King. Besides the above ingredients there are—Golden Seal, Unicorn and Blue Cohosh root in Dr. Pierce's Favorite Prescription.

Dr. Pierce's Common Sense Medical Adviser will be sent free, paper-bound, for 21 one-cent stamps, or cloth-bound for 31 stamps. Over 900 pages and illustrated. Address Dr. R. V. Pierce, Buffalo, N. Y.

Dr. Pierce's Pleasant Pellets should be used with "Favorite Prescription" when one a laxative is required.

Brights Disease

Not Rare, but Common--Kidney Disease Developes into Bright's Disease the 8th to 10th Month; Then Incurable by All Known Means Except the new Fulton Compounds, which Record 87% of Recoveries.

We have before us a little work on kidney diseases by Joseph F. Edwards, M. D., of Philadelphia, that contains some things that everyone ought to know. Many people imagine Bright's Disease is rare, when, in fact it covers nearly the whole gamut of kidney diseases. This book sets out that the kidneys have but one function, viz., the elimination of the urea and waste products, and that all interferences with that function are called Bright's Disease. Dr. Edwards adds: "For the benefit of physicians who may read this book I will give a list of the cases which I attribute to Bright's Disease, viz.:

Albuminuria.
Congestion of the Kidney.
Degeneration of the Kidney.
Fatty Degeneration of the Kidney.
Inflammation of the Kidney.
Uræmia.
Disease of the Kidney."

Thus nearly all kidney disease being Bright's Disease, the serious question is, is it in the primary or secondary stage? After the eighth to tenth month it becomes chronic and is then incurable by all known means except the Fulton Compounds. There is often no Notice of the trouble till it has fastened. If you have kidney disease in the first stage the Renal Compound will cure it quickly. If it is of more than 8 to 10 months standing it is the only thing known that will cure it. In proof that nothing else will we cite all medical works in evidence. The stockholders of the John J. Fulton Co., business and professional men of San Francisco, are the first in the world to announce the cure, presenting a definite percentage of recoveries (87 per cent), and giving out the lists of the cured, all among purely chronic, well-defined cases. If you have any kind of kidney trouble, there is only one thing to take. The Renal Compound for Bright's Disease is $1; for Diabetes, $1.50. John J. Fulton Co., 408 Washington street, San Francisco, sole compounders. Pamphlet free. We are the sole agents.

Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood.

It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

The kidneys filter and purify the blood—that is their work.

Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's **Swamp-Root**, the great kidney remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases, and is sold on its merits by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle
