Legal Notice

NOTICE TO CONTRACTORS
COVERED RESERVOIR CONSTRUCTION
Salem, Oregon

Sealed proposals will be received at the office of the Salem Water Commission, Salem, Oregon, acting for and on behalf of the City of Salem, up to 5:30 o'clock P.M., of Friday, June 14, 1940, for furnishing labor, materials, tools and equipment for construction of one 500,000 gallon capacity reinforced concrete covered reservoir with appurtenances. Bids will be opened and read in public at 7:30 o'clock p.m. on said date.

The principal items of the construction will be approximately 540 cu. yds. of concrete and 72,000 lbs. reinforcing steel.

Before securing plans and specifications prospective bidders are requested to visit the site of the proposed work, which is south of Salem, tract of land known as Candalaria Heights, so as to secure a clear understanding of conditions under which the work must be done. The limited time available before construction must be started makes this arrangement desirable. Full information as to means of visiting the site may be had by personal call at the office of the Salem Water Department.

Plans and specifications will be on file for examination and distribution on and after June 8, 1940. Adequate provisions will be made for examination of the plans and specifications at the office of the Salem Water Department.

Proposal forms will be furnished without charge and anyone desiring complete plans and specifications for personal use may obtain the same upon application to the engineer, accompanied by a deposit of Ten ($10.00) dollars. Said deposit will be returned to all who submit bona fide bids in accordance with the specifications and return the documents in good condition. If such bid is not submitted then Three ($3.00) dollars of said deposit will be retained to cover the cost of extra printing and handling.

As soon as possible after inspection of the site as above requested, prospective bidders should file their applications for proposal forms and other documents if desired.

Each bid must be accompanied by cash or certified check payable to the Salem Water Commission in a sum equal to Five (5%) per cent of the amount of the bid.

The Commission reserves the right to reject any or all bids and to waive any technicalities or irregularities and to accept any bid if it deems such action to be for the best interests of the City of Salem.
