Advance on All Fronts Noted in Stock Market

NEW YORK, Nov. 7-(AP)-Steels, utilities, motors and other industrials led a general advance of fractions to around 5 points to new 8½ year peaks in today's stock market.

After the election day layoff yesterday, volume of 2,380,000 shares was the best since last June 28 and compared with 1,650,000 on Monday.

The 1061 issues dealt in were the largest in modern history and compared with 1049 on May 14, 1940, and 1045 on Sept. 19, 1937. Of this total, 688 advanced, 213 declined and 160 were unchanged.

Establishing summits for 1945 or longer were American Telephone, up 4; Chrysler, up 5⅝; Montgomery ward, General Motors, Sears Roebuck and Union Pacific. A few stocks, however, were down from tops for the session.

The pressure to invest idle funds, prospects for an improved tax situation for some companies in 1946 and the possibility of limited inflation were factors to the rise.

The Associated Press 60-stock composite rose .7 of a point to 75.0, best since March 10, 1937, when it stood at 75.3. Industrials, rails and utilities all touched new peaks since 1937.
