STORAGE BUTTER SHORT, IS RUMOR

PORTLAND, Ore., Oct. 1.—(U.P.)—Rumors of great shortage in supplies of butter in storage here appear the chief factors in the trade at the moment. Most of the rumors which appear to come from one source, indicate that there are no available stocks in ice houses here and that former speculative holders are scrambling for their needs.

Survey of the situation fails to disclose this alleged shortage. The rumors name several leading storage interests as being sold out, but these stoutly deny that they have sold. The rumors come chiefly from one party said to have great stocks of butter piled up in store.

There was no change in the price of butter for the week-end session of the produce exchange. Butterfat values continue steady.

Trade in the egg market remains of very favorable character. At the week-end there was no change in values which recently have been generally sustained at the high mark.

Market price on chickens here is still kept at the weak point with California and direct shippers to California getting the benefit of the situation. Portland continues to lose shipments to the south.

With the one confirmed shipping order reported as filled, the market for turkeys has again drifted into a most nominal position here. An early resumption of shipping is expected.

Owners of oyster beds engaged in the production of the so-called large Pacific or Japanese seed oysters, are getting together to eliminate the demoralizing consignments which have practically wrecked the industry. No effort is being made to hold up consumers, however.

Home and domestic apple movement is slowly gaining with more cash buyers appearing in the Hood River-Mosier districts as a result of the reports of record damage to the Wenatchee-Yakima crops by worms. This damage was the result of lack of proper spraying.

There is some improvement suggested in the shipping demand for celery with as high as 70c a half crate reported received for a carload during the day. This is a nickel better than previous highest transactions.

PUBLIC MARKET REPORTS BIG DAY

An unusually big Saturday trade was reported for the Producers' Public market. There was a regular mob scene most of the day.

An extra fine display of produce was out, the market representing a regular harvest festival.

Good corn is at 15 cents and practically all corn is off the market.

Parsnips were in for the first time Saturday, selling at 4 cents a pound.

Local celery continues from 5 to 10 cents a bunch.

Cantaloupes were plentiful Saturday.

Some of the finest green peppers of the season are in now.

Tomatoes continue to flood the market and are of excellent quality.

Prunes are about gone.

Eggs and poultry were all unchanged on the market Saturday.

Following were the prices for the day.

MARKET REGISTERS SLIGHT GAINS WITH LATE COVERING RUN

NEW YORK, Oct. 1.—(AP)—The stock market stood virtually still until the last quarter hour today when late short covering gave the list a mild flip.

Activity was at the lowest ebb since early summer, or before the July-August boom got under way, and what trading there was appeared to consist almost entirely of professional operations. Transactions approximated 400,000 shares for the two dull hours.

Net advances of a point or thereabouts appeared in U. S. Steel, Allied Chemical and American Telephone.

Chicago Wheat Shows Signs of Strength

CHICAGO, Oct. 1.—(AP)—Helped by evidence of powerful support in the Winnipeg market wheat values here had an undertone of strength today.

Winnipeg messages suggested, however, that continued bolstering of wheat prices would be requisite unless there was a pronounced revival in export demand. Deliveries of wheat today in Winnipeg October contracts totaled 7,458,000 bushels, and rural marketings in Canada yesterday amounted to 5,969,000 bushels against 1,938,000 a year ago.

Wheat closed firm, 1-4@5-8 above yesterday's finish, corn unchanged to 1-4 higher, oats unchanged to 1-8 up, and provisions unchanged to 10 cents decline.

a single by Stephenson, who was forced at second by Moore, and a line double by Captain Grimm counted two Cub runs in the third. Momentarily the Cubs tied up the score in the fourth on Judges' double and an error by Lazzeri of English's teasing grounder, on which Jurges scooted home.

The fifth inning act by the home run twins, Ruth and Gehrig, clinched the game. They just made it more certain in the ninth, when behind errors by Hartnett and Herman on high flies, Chapman doubled one of the runners home.

was the first pass of the game. On the next two plays Santa Clara's line held and only a gain of two yards was made.

Kostka from a fake punt formation made first downs on the third play to their own 42-yard line. Santa Clara was penalized five yards for out of bounds. On the fourth play from there Oregon made it third first down, when Mikulak pushed through the center of the line by inches. The quarter ended with the ball in Oregon's possession on the Santa Clara's 45-yard line.

Score: Santa Clara 0; Oregon 0.

Kostka Goes Over

On the second play Kostka took the ball through right tackle to Santa Clara's 8-yard line from the Bronco's 45-yard line. Kostka was thrown out of bounds. His run of 37 yards was the first high light of the Oregon offensive.

Mikulak took the ball to the three-yard line on the third attempt from here. Kostka on a flourishing left end run took the ball over for a touchdown.

Giesicke kicked the extra point.

Goal Pass Fails

Gelsecke kicked off over the goal line repeating his former kick. He was substituted for the kick. On the return kick Paglia returned the ball to the center of the field where it was Oregon's ball. Oregon started another straight football offensive and made its fifth first down by drives by Mikulak to Santa Clara's 42 yard line, where the Bronco line held for two tries but could not stop Mikulak who took the ball through to the 30 yard line for another first down.

Oregon's pass from Temple to Bailey failed. This was Oregon's first pass attempt. Another pass Temple to Kostka gained three yards. A third pass by the same combination missed the receiver by inches right at the goal line. Oregon lost the ball on downs on Santa Clara's 30 yard line.
