UNION GROCER IS RECOVERED

UNION (Special)—W. O. Haggerty, who has been away from his place of business as a member of the firm of the Union cash grocery, for several weeks on account of illness, is much improved and is doing some work again, although he is not entirely recovered.

Marshal D. A. Van Houten, his wife, son Richard and daughter Thelma, are visiting with relatives in Spokane and other points in eastern Washington. During his absence Oro Cline is holding down the position of town marshal.

Robert Haggerty, W. O. Haggerty, G. I. Hess, J. H. Jacobs and their families are among the Union people who have been camping out during the past week, either for the sport of fishing, or to pick huckleberries.

Mr. Stoker, an aged man residing in South Union, who has been in a feeble condition for a long time, is at present confined to his home owing to a relapse in his condition.

New gasoline pumps have been installed this week at the Brown and Zeek garage and at the West filling station.

Planting Fish.

The fish hatchery truck has been hauling young trout and salmon to the nearby streams and also made one trip to Prairie City with a load of fish this hot week.

Hugh Huron and Mrs. Huron motored over from Imbler Saturday to attend the farmers' meeting at the experiment station.

In spite of the fact that some hay is down and awaiting enough sun to cure it, most of the farmers are rejoicing over the showers this end of the valley has been experiencing for the last few days.

At a called meeting of the Woman's club held at the home of the president, Mrs. C. P. Holly, Saturday afternoon, a proposition to sell their lot on Main street was discussed and rejected. The members also laid plans for holding their annual rose show in about two weeks.

Two men came in on the stage Sunday morning with a couple of young bob cats which they had caught along the Snake river and were taking to Spokane. The animals were only about two months old and were very tame and playful.

Fred N. Fox and Mrs. Fox returned Sunday afternoon from a week's outing at Wallowa lake. While there Fred played baseball as a member of the fat man's team.

Tennis Popular.

The tennis court at the S. E. Miller home in North Union is becoming a very popular place these summer afternoons. More men and women here are taking an interest in the game than for several years. An effort will be made to secure a permit from the city council to build a double set of courts at the city park for public use.

Dr. Paddock is still in Baker taking treatment for his recent illness, but he is reported as much improved.

President L. Z. Terrell of the commercial club called a meeting of the members Monday evening to plan for the entertainment of the regents who came Tuesday to inspect the experiment station. It was decided to have the visitors take lunch with the club men at the Union hotel at noon. Several other matters were discussed in an informal way during the evening.

FIRE THREATENS FARMS

EUGENE, Ore.—Fire on Mount Pisgah, near Goshen, seven miles southeast of Eugene, was threatening the farm house on the old Alex Matthews ranch, according to word received from there tonight and a crew of men has been placed near by to watch it and fight it if a wind should arise.

The fire started when John Seavey set off a blast. It spread through the fall grass and weeds and covered several hundred acres. Fences and outbuildings have been destroyed and the blaze was reported tonight as being very close to the Mathews barns.

Mr. and Mrs. E. T. Boswell and Mr. and Mrs. R. J. Baker attended the field day demonstration at Union Saturday.

The rain was welcomed by everyone. It was badly needed in this vicinity.

S. W. Koger was a La Grande business visitor Tuesday.

Many people are making trips to the mountains to gather huckleberries.

BOOTLEGGER IS HELD UP

ASTORIA, Ore. — Recent "hijacking" activities here reached a climax when a local bootlegger, en route to the city from Portland with 40 gallons of liquor, reported he was held up on the Columbia highway near John Day drawbridge and robbed of his cargo.

Three masked men participated in the robbery, he said. The matter has not been officially reported to the authorities.

Berlin Adopts Quick Drinking.

BERLIN, (AP) — A "drink it standing up" bar, designed along the lines of American quick lunch stands, is making inroads upon the old-fashioned Berlin beer halls, where Germans for many years have been accustomed to sit about four hours and sip their beer. In the "stand-up" the customer gets his beer at the bar, pays for it and steps over to a waist-high table where there are no chairs. Here he drinks his beer in a minute or two, instead of an hour or so, and hurries off to his business.

SEATTLE MAN GIVES ADDITIONAL EVIDENCE

"My experience with Tanlac covers a period of about three years and as time goes on my confidence in the medicine grows even stronger," is the striking statement of T. J. Parker, well known real estate man, offices 5519 Ranier Ave., Seattle, Wash.

"Before I first used Tanlac my health had so played out on me that I frequently had to take off several days at a time from my work. My digestion was bad and I had no appetite or strength. But Tanlac put me on my feet and gave me the best health I ever enjoyed.

"And since then I have continued that way, for I stick to Tanlac and use it as I think necessary. Even now my health and strength is at the highest mark and I have not felt better in 29 years. The more I know about Tanlac the stronger I feel like praising it."

Tanlac is for sale by all good druggists. Accept no substitute. Over 40 million bottles sold.
