RADIANT HAIR

YOU, too, can have hair radiant with the lustrous sheen of health and beauty. You can make dull, lifeless hair sparkle and glisten with its natural luster. You can make dry, unruly, brittle hair soft, rich and easy to dress. You can eliminate dandruff and scalp irritations. You can enjoy the invigorating tingle of a healthy scalp. How? With

LUCKY TIGER'S Three Basic Products

THESE three basic hair and scalp products bring health and cleanliness to the scalp, and beauty to the hair. They can be used to advantage by every member of the family.

Lucky Tiger Hair Tonic. A single bottle is usually sufficient to eliminate dandruff, that foe to beautiful, luxuriant hair. The first application stops that miserable itching, and scalp irritations are quickly checked.

Lucky Tiger Magic Shampoo. Nothing makes your head feel so good as a shampoo with this new and better product. After golf, motoring, train trip, or exposure to sun, wind or dust, it will be amazingly refreshing. Removes dandruff, excess oils, and makes the hair soft and rich with the sparkling glow of cleanliness. It contains no free alkilies or harsh soaps. It is equally good for children's hair as it removes crusts and dirt.

Lucky Tiger Hair Dressing. This new and better product is especially prepared for dry, unruly, hard-to-manage hair. While never sticky or greasy, it makes the hair "stay put" and easy to dress in any style. After a shampoo, a few drops adds life and luster to the hair and brings out its natural sheen. It keeps the hair from becoming dry and brittle and should be used after swimming and when the head is unduly exposed to sun or wind as it restores its needed oils. It checks dandruff and brings beauty to the hair without an unnatural gloss.

Lucky Tiger Products are on sale at drug stores, barber shops and beauty parlors on a guarantee of money back if not satisfied.
