WESTERN STAR REACHES FINALS

SOUTHAMPTON, N. Y. (AP)—Brian C. C. Norton of St. Louis and Robert Kinsey of California reached the semi-finals round of the Southampton tennis tournament at the Meadow club. Norton defeated S. Howard Voshell of New York, 6-2, 6-1, in the fourth round while Kinsey forfeited an upset defeating Carl Fischer of Philadelphia, who is ranked three positions above him in the national ratings. The score was 1-6, 6-1, 6-3.

Norton set his feet for Voshell. The Texas lanky man never gave a true account of himself except early in the second set, when he gained a lead of 2-1. In all other games he was outmanned, struggling at the baseline, while Norton bombarded his court with streaking drives.

Fischer started well against Kinsey, but his failure to get to the net cost him the second and third sets. Kinsey's baffling chop strokes and greater steadiness won him game after game in the second set.

In the third set Fischer made numerous double faults which spoiled his opportunities after he had broken through Kinsey's service.
