ONE GUILTY IN BOOZE CASES

ENTERPRISE, Ore. (Special to the Observer)—Three moonshine cases were tried in circuit court during the week, one resulting in a conviction, one in a hung jury and the third in an acquittal. Judge J. W. Knowles left for his home at La Grande yesterday, and will return to resume the session Dec. 15.

In the third liquor case, William Beaudoin was found not guilty by a jury which brought in its verdict Tuesday night. The jurors were Homer Eads, Henry Boggs, A. W. Haggerty, J. E. Kelsay, C. E. Page, John A. Blevans, J. T. Wright, T. R. Akins, Jean Branson, Glenn Cramer, C. C. McFetridge and Ivan Vance.

Joe Mathews, indicted jointly with William Beaudoin on the charge of having a still in their possession, was tried last week and found guilty. Testimony was introduced showing that he was arrested at the Goupe homestead cabin where the still was found. The jury consisted of Geo. W. Rose, R. E. Shivers, Geo. W. Frazier, Frank H. Baker, John A. Blevans, W. L. Williamson, E. E. White, Oscar Hammack, R. M. Austin, Glenn Cramer, Joe P. Kelsay, T. J. Wright.

The witnesses heard were Thomas Murray, F. G. Rinehart, F. D. Zollman, Robert Bird and Joe Mathews.

Judge Knowles sentenced Mathews to serve 60 days in jail.

The jury impanelled to try Speed Trump failed to agree and were discharged. Trump was arrested by Deputy Sheriff R. C. Humphrey at Wallowa. Humphrey located a sack of bottles of moonshine hidden behind Duncan MacLeod's theater the night of a dance. After the officer had watched for some time, he saw Trump go to the sack in the dark, it is said, and take out a bottle. The jurors who could not agree were: N. E. Beaudoin, C. E. Page, Victor Beartes, R. M. Austin, Frank H. Baker, Oscar Hammack, John A. Blevans, R. E. Shivers, Geo. W. Frazier, E. E. White, J. P. Kelsay and Geo. W. Neff.

Manila Shelters Only Forty Exiled Russian Monarchists

MANILA, (AP)—The Ilia Moromets, one of the Russian vessels which arrived in Manila Bay a year and a half ago under Admiral Stark, has been sold to a local transportation company, leaving only two out of the 11 vessels in the original fleet which came from Vladivostok with more than 800 Russian refugees. The others have been sold to concerns here or in China. The company will use the Ilia Moromets, which is a high-powered tug, in towing work in Philippine waters.

Only 40 of the original 800 refugees who came with the fleet remain in the Philippines, the others including Admiral Stark, having departed for various countries. Some 600 were taken to the United States on the army transport Merritt more than a year ago, and others from time to time have gone to Shanghai. Admiral Stark left only a few days ago for France, where he expects to make his home and possibly enter business. He and his followers belong to the old monarchial regime, and at present are not welcome in their native land.

THE MORAL RISK

WHEN the time comes to seek credit, a bank will want to know what you ARE as well as what you HAVE. That's where the moral hazard comes in. And you can't establish credit overnight. Rather, it is a matter of becoming KNOWN at your bank, in establishing confidence by the way in which you have kept your account, regardless of the amount you have to your credit.

Get acquainted—that's the first thing. Then develop that acquaintance into friendship.

We offer every inducement to get acquainted and to become friends.
